Good morning! Please enter 1200 Pennsylvania Ave. N.W. through the William J. Clinton South Entrance (located adjacent to the escalators for the Federal Triangle Metro). Your party will then go through security screening. Please let Security know who you have an appointment with, and at that time they will call us. Either Cheryl Woodward or I will meet you on the first floor to escort you to the Administrator's Office.

We look forward to seeing you.

Michelle

Good to meet you if virtually and I look forward to seeing you tomorrow, Sydney! I met the Administrator briefly at the candlelight that John and I attended but it will be a privilege for John and I to get to spend a bit of time with him. I also had to good fortune of having Samantha Dravis as a guest at a salon dinner we had a couple of months ago and I know that both Geoff and my colleague Mary Streett have had a fair bit of interaction with her as well.

Where precisely would it be best for John and I to arrive and check in for the meeting tomorrow? Should we ask for you when we arrive?

My details including my cell phone number are below in case you need to reach me also.

Best regards,

Bob Stout

Thanks, Sydney

The meeting is with John Minge, who is Chairman & President of BP America, but is NOT the Chief Executive of BP plc. He is our senior executive in the U.S.

The meeting is really an initial introduction.

He will likely tell the Administrator about the company's role in the U.S., issues we work with E.P.A. on, and likely invite him to visit some of our facilities.

There is no specific issue we are pushing or ask we are making.

That work?

Copying my colleague Bob Stout, who runs Regulatory Affairs on my team and will be a good point of contact for your office in the future.

Thanks, Geoff

Dear Michelle,

I hope my email finds you and your family well.

I would kind ask you to send my letter to Administrator.

I would like to wish you all the best,

Sincerely Yours
Maxim

"Dear Administrator Pruitt,

Our thought and prayers are with people of Texas and Louisiana during those difficult time.

We would like to express our deepest condolences to the families that lost their family member and wish to recover soon for the injured.

I would like thank you again for your kind letter after our last visit to your office.

I am most pleased to share exciting Water-Gen news from last night. UN Secretary General Antonio Guterres and Israeli Prime Minister Benjamin Netanyahu were the guests of honor at an innovation showcase at the Israel Museum along with UN Ambassador to Israel Danny Danon and other distinguished guests from the UN and Israel's Foreign Ministry.

Water-Gen was one of four companies chosen to represent the best in Israeli technologies that are improving the world and striving to reach the UN-initiated 2030 sustainable development goals.

I had the honor to demonstrate Water-Gen's water-from-air technology and Secretary General Guterres and Prime Minister Netanyahu tasted Water-Gen's fresh and clean drinking water from the air. I also stated to Secretary General Guterres that the world does not have to wait until 2030 to solve the global water crisis. Water-Gen can produce clean and safe drinking water now and change the lives of billions around the world and save millions of lives.

I would like to take the opportunity to thank you for your staffs efforts both by your staff in Washington DC led by Mr.Kelly and in Cincinnati led by Mr.Garland to advance the WaterGen technology and bring it to the United States
We currently are finalizing the testing process and expect to have units in the EPA testing facility in Cincinnati shortly.

We have expanded our watergen offices in the United States and in October we will be showcasing our units in our new Miami office run by Mr Ed Russo and Yehuda Kaploun.

You mentioned in our last meeting about a planned trip to Israel therefore we would like to assist you in planning your visit per your instructions.

Additionally we will be deploying our technology to assist the people harmed by hurricane Harvey and thank you for your staffs assistance in this extremely important matter as well.

We look forward to our continued collaboration and jointly bringing clean water from the air to the world.

Looking forward seeing you soon,

With all the best wishes to you and your family,

Sincerely yours

Maxim Pasik

HAL QUINN
President & CEO

February 21, 2017

The Honorable Scott Pruitt
Administrator
Environmental Protection Agency
1200 Pennsylvania Avenue, N.W.
Washington, D.C. 20460

Dear Administrator Pruitt:

Congratulations on your confirmation as the Administrator of the Environmental Protection Agency. The National Mining Association (NMA) cordially invites you to address the spring meeting of the NMA board of directors scheduled for April 24-25 at The Ritz Carlton in Naples, Fla. NMA's board of directors comprised of CEOs from the major U.S producers of coal, metal and minerals, as well as manufacturers of mining equipment and technologies.

As the front end of America's supply chain—providing the raw materials and affordable energy required for a vibrant domestic manufacturing sector—NMA's members would be very interested to hear the administration's plans to move an agenda that will address excessive regulations and incentivize job creation in the U.S.

We thank you in advance for your consideration and hope your schedule will permit you to give remarks on Monday, April 24, during the morning session or luncheon. Please advise if there is anything that NMA can do to assist you and your staff to make the appropriate arrangements by contacting Rich Nolan, Senior Vice President of Government Affairs, at [Personal Matters /](#) or rnolan@nma.org.

Sincerely,

Hal Quinn
President & CEO

Subject: POET Meeting Request for Administrator Scott Pruitt
Attachments: POET - Pruitt-Broin Meeting Request.pdf

Good morning Michelle,

I had sent the request below to Administrator Pruitt but wanted to share it with you directly as I'm sure he receives an abundance of emails. Attached is a formal request from Robert Walther, Vice President at POET LLC, to request a meeting on behalf of POET CEO and founder Jeff Broin for March 29, 2017 or the afternoon of March 30, 2017, at the availability of Administrator Pruitt.

Thank you for your consideration on this request.

Subject: POET Meeting Request for Administrator Scott Pruitt

Dear Administrator Pruitt,

Attached is a formal request from Robert Walther, Vice President at POET LLC, to request a meeting on behalf of POET CEO and founder Jeff Broin for March 29, 2017 or the afternoon of March 30, 2017, at your convenience.

Jeff Broin is the Chairman and CEO of POET, the largest producer of biofuels worldwide. Mr. Broin has been heavily involved in biofuels advocacy and promotion on both the federal and state levels for more than 25 years. The purpose of this meeting request is to discuss Midwestern rural economic development issues including the Renewable Fuel Standard (RFS) and proposals that have been submitted to the EPA and the Administration to modify that program.

Please let me know if you need additional information or have questions.

Thank you for your consideration of this request.

Meghan E. Smith

March 7, 2017

The Honorable Scott Pruitt
Administrator
U.S. Environmental Protection Agency
1200 Pennsylvania Avenue, NW
Washington, D.C. 20460

Dear Administrator Pruitt,

I am writing to request a meeting with you and POET CEO and founder Jeff Broin to discuss Midwestern rural economic development issues including the Renewable Fuel Standard (RFS) and proposals that have been submitted to the EPA and the Administration to modify that program.

Jeff Broin is the Chairman and CEO of POET, the largest producer of biofuels worldwide. Mr. Broin grew the company from one small plant to the current comprehensive network of facilities, and simultaneously founded and built joint management, marketing, research and design companies that continually work with the POET network of plants. Mr. Broin has been heavily involved in biofuels advocacy and promotion on both the federal and state levels for more than 25 years.

POET operates 28 biorefineries across Ohio, Michigan, Iowa, Indiana, Minnesota, Missouri, and South Dakota that annually produce 1.75 billion gallons of ethanol and utilize about 4% of the U.S. corn crop. POET has also been a pioneer in cellulosic biofuel technology. The company recently built and currently operates Project Liberty, one of the first commercially viable cellulosic ethanol plants in the United States.

Mr. Broin will be flying from South Dakota to Washington, DC and would be available to meet with you on March 29th or in the afternoon of March 30th.

Thank you for your consideration of this request.

Sincerely,

Robert Walther
Vice President, POET LLC

Subject: Hi Ms. Hale

Michelle,

My name is Robert Wright and I am the CEO/Owner of Murex LLC headquartered in Dallas Texas. I called and chatted with you prior to Scott's confirmation and you said that you could get a meeting with Scott once he was confirmed. The company I manage is one of the largest marketers and participants in the Ethanol marketplace with revenues exceeding 4 Billion at the peak. We have been involved with the EPA for years in the RINS area and worked to establish some of the QAP programs. In doing so we have been exposed to some of the RIN fraud cases (primarily D5 RINS) which have cost my company tens of millions of dollars during the last couple of years thru no fault of our own. I would like to speak to Scott for a short period of time to plead our case regarding this matter. I know he is busy with many issues but I feel this is a case of great injustice where good honest people are punished for no apparent reason. I would be happy to send you a brief outlining the problem and potential solution if that would help you. Thank you in advance for your help and consideration.

Robert Wright
CEO/Owner
Murex LLC

March 14, 2017

The Honorable Scott Pruitt
Administrator
Environmental Protection Agency

Dear Administrator Pruitt:

On behalf of the American Council of Young Political Leaders (ACYPL), I am writing to formally request the pleasure of honoring you at the 2017 Honors Evening, which will take place on Wednesday, September 13, 2017 from 6-8pm in Washington, DC. ACYPL Board President Rick Smotkin mentioned that he has spoken to you regarding this invitation and that you are supportive.

As an alumnus and supporter of our programs, you know first-hand the important role that ACYPL serves in promoting mutual understanding, respect, and friendship and cultivating long lasting relationships among young people poised to become tomorrow's leaders. At a time when our national and international conversations have become more polarized, ACYPL's ability to create opportunities for open, respectful dialogue among young Democrats, Republicans, and Independents from across the United States and their peers around the world has never been more valuable.

The Honors Evening will be an occasion to recognize the important role you have played in supporting ACYPL's mission and I hope you will join ACYPL trustees and fellow alumni, members of Congress, our corporate and labor partners, and members of the Diplomatic corps in allowing us the honor of publicly recognizing your contributions to ACYPL and the country.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "Libby", followed by a long, horizontal flourish that extends to the right.

Libby Rosenbaum
CEO, ACYPL

Good afternoon Ms. Hale,

On behalf of Jim Greenwood, President and CEO of the Biotechnology Innovation Organization (BIO), and BIO's Board Members, I am writing to request a meeting with Administrator Pruitt on the afternoon of April 4, 2017. BIO Board Members will be in Washington, DC April 4-5 for our annual legislative day and would like to talk with him regarding EPA regulations impacting our Food and Agriculture membership.

Please see the attached invitation for more information about BIO and the request.

Sincerely,

Brian Stoker

James C. Greenwood
President & CEO

March 16, 2017

The Honorable Scott Pruitt
Administrator
Environmental Protection Agency
1200 Pennsylvania Avenue, NW
Washington, DC 20460

Dear Administrator Pruitt:

I would like to request a meeting with you for the afternoon of April 4, 2017, with members of the Biotechnology Innovation Organization's (BIO) Board of Directors. Board members from across BIO's industry sectors will be in Washington, D.C., at that time to participate in BIO's Annual Legislative Day Fly-In and would appreciate greatly the opportunity to discuss concrete ways in which our industry can help President Trump achieve our shared policy goals and encourage the continued growth and success of the biotechnology industry.

BIO is the world's largest association representing the interests of the biotechnology community, with over 1,000 members that range from small start-up companies to Fortune 50 companies, and include academic research institutes, life science investors, and state and regional economic development organizations in 46 states and Puerto Rico. Our members are at the cutting-edge of technological invention that is helping to cure the most serious diseases, secure U.S. energy independence through renewable sources, sustainably feed a growing world while raising farm incomes, and address our most challenging national security problems – including global food security, biodefense, and pandemic preparedness.

Biotechnology companies are overwhelmingly small start-ups and early-stage companies. The biosciences field employs 1.66 million American workers directly and supports 7.5 million additional U.S. jobs, including many in the agricultural, renewable energy, and bio-based product sectors that help fuel America's rural economy. From 2001-2014, total U.S. bioscience employment increased 9.7%, compared to 5.4% in the overall private sector – reflecting a strongly growing part of the American economy.

These impressive economic impact numbers are dependent on good public policy. In your role, you will be at the center of important policy debates impacting the progress of biotechnology, including the future of regulations impacting agricultural biotechnology and the Renewable Fuel Standard. We would welcome the opportunity to discuss these topics with you and your relevant staff.

1201 Maryland Avenue SW 202.952.9200 ✉
Suite 900 202.488.6307 ✉
Washington DC 20024 bio.org

Please feel free to have your staff contact Brian Stoker at [Personal Matters /](#) or bstoker@bio.org with any questions. Thank you for your consideration.

With Sincerest Regards,

James C. Greenwood
President and CEO

Thanks!

I think the only day that is a potential problem is 3/23.
That is the day of the API executive committee meetings.
Appreciate your help!
Best, Geoff

Michelle

I just spoke with John Minge's office and it sounds like Thursday is very difficult given existing commitments.
They reminded me that John is going to be in DC the following two week (3/13-24). Might the Administrator be available to meet with John at EPA HQ one of those days?
Thanks for checking.
Best, Geoff

Thanks, Michelle
I think that time is likely to work but will check and get back to you to confirm.

How much time are you budgeting?
Is this a full meeting or a brief introduction?
We could do an initial shorter meeting at CERA if time is tight and then a longer meeting
in DC later this month.
Please let us know your preference.
Thanks, Geoff

Hi Sydney,
Thank you so much for pushing to get the ethics approval for us!

As for the travel issue, thank you for being candid on the process and the timing. I think at this stage I want to move forward and hope that things work out in our favor. I have a board meeting early next week and I will bring it up there as well to see what the general consensus is. Obviously having him out of the country would be problematic and not knowing until 2 weeks before makes that trickier. Thanks for continuing to hold it and let me know as soon as you hear anything.

Thanks so much,
Libby

Here is the feedback I received: "Yes, the Administrator may attend the event, and yes, he may receive the globe. But please do ensure that they refer to him as the Honorable (as opposed to the EPA Administrator)."

So, yay! It's been approved through ethics. The other hold up now is that I was told by our Chief of Staff yesterday that we could potentially be in Australia until the 13th now instead of through the 10th. I've still got the hold on the calendar with the ethics approval but to be completely candid the return date wasn't chosen for our last international trip until two weeks before. I am happy to continue holding though and we can sit tight for a bit to see if the trip is shortened. I'm sorry this has been such a process.

Thank you!

Personal Matters / Ex. 6

Subject: RE: Acypl event

Hi Sydney,
Sure thing:

- 1) The event is called the ACYPL Honors Evening but the award itself doesn't have a name. In the last 5 years, it has been a globe engraved with the Honoree's name and the year that looks like the attached photo. If that's a problem, we don't have to do awards
 - 2) We have been doing the Honors Evening since 1999. We have traditionally honored ACYPL Congressional alumni or friends, but that's only because we didn't have an alum in a Cabinet level position before. The list of past honorees is attached.
 - 3) We will send out the attached invite (with his line changed to The Honorable Scott Pruitt (invited)) and will also be sharing it on our website under events <http://acypl.org/events/> and in emails to our alumni network
 - 4) Yes, this is an fundraiser for ACYPL, which is a nonpartisan, non-profit 501(c)3 organization
- And if you could let me know when his participation is approved, then we will remove invited from the invitation.

Thanks for your help Sydney!!
Libby

The Ethics department is asking me these questions about the event:

- 1) What is the name of the award?
- 2) How many years has this award program been in place?
- 3) Are there any communication materials about the award? (e.g., website, brochure, etc.)
- 4) Is this event a fundraiser?

Thanks Sydney, I appreciate your efforts. Do you any sense of how we can list him on the invitation, assuming everything goes through? We had asked you before if "The Honorable" was appropriate, and I wanted to double check on that.

Additionally, would we be allowed to send out the invitation with him listed as "invited" in the interim? I am just getting slightly anxious because we are about 3 months out and I would like to promote it to our alumni network.

Thanks again!
Libby

Thank you Sydney!

I left Mr. McMurray a voicemail and look forward to connecting by phone as soon as possible to confirm logistics, walk-through meeting, EPA flag and other details. Ms. Hale — please advise if I can provide any additional information.

Thank you everyone,

Lyda

Subject: EPA Flag for LPPC Speech

Importance: High

Good afternoon Ms. Hupp,

I have spoken with Nathan Reese who requested I reach out to you directly about getting an EPA flag that we could hang during Administrator Pruitt's remarks to LPPC on Monday, May 22nd. As you may know, we have a walk-through with your advance team (Brady Henderson and Forest McMurray) this coming Friday, May 19th. I have tried to call Brady several times on the number that he gave me but it keeps going straight to voicemail and it doesn't allow me to leave him a message.

Would you please send me his contact information or direct me on how best to secure an EPA flag? It would be great to have it brought to the walk through so we can have it hanging and ready on Monday.

Thank you for your guidance!

Thanks, Michelle, but just learned that conflicts with API Executive Committee meetings.

Can we work around them?
Maybe earlier that week or week before?

The API meetings are as follows:

Wednesday

- 1p – 3p
- 4:300 – 7:30p

Thursday

- 6:30a – 12p (then departs from DC)

Subject: POET Meeting Request for Administrator Scott Pruitt

Dear Administrator Pruitt,

Attached is a formal request from Robert Walther, Vice President at POET LLC, to request a meeting on behalf of POET CEO and founder Jeff Broin for March 29, 2017 or the afternoon of March 30, 2017, at your convenience.

Jeff Broin is the Chairman and CEO of POET, the largest producer of biofuels worldwide. Mr. Broin has been heavily involved in biofuels advocacy and promotion on both the federal and state levels for more than 25 years. The purpose of this meeting request is to discuss Midwestern rural economic development issues including the Renewable Fuel Standard (RFS) and proposals that have been submitted to the EPA and the Administration to modify that program.

Please let me know if you need additional information or have questions.

Thank you for your consideration of this request.

Hi,

We are sending them back to move the pieces around. So everyone understands we have to pay our drivers to go back, do the installation and come back to Artex. The final invoice will be based on the original estimate plus the additional time 3-4 hours \$450.00 -\$600.00.

Thanks,

Matt

Yes, that works for Artex. We could collect from SAAM between 9 and 10 am and go directly to the EPA.

Please confirm, when you have the rods, so we can proceed for Monday.

Thanks,

Wojciech

Hi SeVera,

I just spoke with Wojciech about your proposal. That is not supportable for Artex or for me. Artex would have to charge you for the overtime and find volunteers to work extra. I'm not available either and I need to be present for installation.

Is Monday during regular business hours a possibility?

Jenni

Hi Michelle,

It is too late, at 4PM we needed to tell our crew weather they were working or not and we told them they were not. I did not want to have to charge a cancellation fee and that was the cut off.

Can we work on the next time the area will be available.

Thanks,

Matt

Subject: FW: Board materials for Ryan Jackson/Administrator Pruitt

Hi Michelle, I am hoping that you were alerted that this was incoming and the need to pass along to Millan (who is still dealing some onboarding issues as I understand it), OK?

Millan: It's Jim, back to you from EEI. I think I have attached all of the items we discussed, please let me know if anything is missing. Relatedly, the hold room inside the Mandarin will be Freer, which is located very close to the Grand Ballroom on the lower level. We will be expecting the Administrator to get situated there immediately after arrival at the Maine Avenue entrance at 9:30 on Tuesday morning. If it's OK with your guys, we would like our VP of Environment Policy, Quin Shea, copied herein, to meet the Administrator upon arrival and accompany him to the Freer Room. It is likely also that Sean Trauschke, CEO of OG&E, and Nicholas Akins, CEO of American Electric Power (both companies serve OK) will be on hand in or near the hold room, as well. As a reminder, Mr. Trauschke will be introducing the Administrator in the board meeting.

Finally, the security firm we have contracted with is TorchStone Global, contact there is:

Joseph Funk
Sr. Vice President
TorchStone Global

Ex. 6

jfunk@torchstoneglobal.com

Again, as a reminder, my mobile phone is Ex. 6 and I will be fully reachable from now all the way through our conference, so don't hesitate to reach out at any time. Best,

Jim

Michelle,

Michael O'Bannon was supposed to attend but I believe he met earlier with the Administrator. The other gentleman was Craig Glidden, General Counsel/EVP Law and Public Policy, General Motors. I don't have a physical office address for him be it in Washington or Michigan, but Mr. Turton would be able to get it to him.

Let me know if I can assist further.

Regards,

Diane

Michelle,

Michael O'Bannon was supposed to attend but I believe he met earlier with the Administrator. The other gentleman was Craig Glidden, General Counsel/EVP Law and Public Policy, General Motors. I don't have a physical office address for him be it in Washington or Michigan, but Mr. Turton would be able to get it to him.

Let me know if I can assist further.

Regards,
Diane

Good morning! Please enter 1200 Pennsylvania Ave. N.W. through the William J. Clinton South Entrance (located adjacent to the escalators for the Federal Triangle Metro). Your party will then go through security screening. Please let Security know who you have an appointment with, and at that time they will call us. Either Cheryl Woodward or I will meet you on the first floor to escort you to the Administrator's Office.

We look forward to seeing you.

Michelle

Good to meet you if virtually and I look forward to seeing you tomorrow, Sydney! I met the Administrator briefly at the candlelight that John and I attended but it will be a privilege for John and I to get to spend a bit of time with him. I also had the good fortune of having Samantha Dravis as a guest at a salon dinner we had a couple of months ago and I know that both Geoff and my colleague Mary Streett have had a fair bit of interaction with her as well.

Where precisely would it be best for John and I to arrive and check in for the meeting tomorrow? Should we ask for you when we arrive?

My details including my cell phone number are below in case you need to reach me also.

Best regards,

Bob Stout

Thanks, Sydney

The meeting is with John Minge, who is Chairman & President of BP America, but is NOT the Chief Executive of BP plc.

He is our senior executive in the U.S.

The meeting is really an initial introduction.

He will likely tell the Administrator about the company's role in the U.S., issues we work with E.P.A. on, and likely invite him to visit some of our facilities.

There is no specific issue we are pushing or ask we are making.

That work?

Copying my colleague Bob Stout, who runs Regulatory Affairs on my team and will be a good point of contact for your office in the future.

Thanks, Geoff

Hi SeVera,

I just spoke with Wojciech about your proposal. That is not supportable for Artex or for me. Artex would have to charge you for the overtime and find volunteers to work extra. I'm not available either and I need to be present for installation.

Is Monday during regular business hours a possibility?

Hi SeVera,

I just spoke with Wojciech about your proposal. That is not supportable for Artex or for me. Artex would have to charge you for the overtime and find volunteers to work extra. I'm not available either and I need to be present for installation.

Is Monday during regular business hours a possibility?

Jenni

Hi Michelle,

It is too late, at 4PM we needed to tell our crew weather they were working or not and we told them they were not. I did not want to have to charge a cancellation fee and that was the cut off.

Can we work on the next time the area will be available.

Thanks,

Matt

Hi SeVera,

I just spoke with Wojciech about your proposal. That is not supportable for Artex or for me. Artex would have to charge you for the overtime and find volunteers to work extra. I'm not available either and I need to be present for installation.

Is Monday during regular business hours a possibility?

Hi Michelle,

It is too late, at 4PM we needed to tell our crew weather they were working or not and we told them they were not. I did not want to have to charge a cancellation fee and that was the cut off.

Can we work on the next time the area will be available.

Thanks,

Matt

Subject: Transit of loans to EPA

Hello Matt,

I hope you are well! We have three framed, pre-packed artworks that will need to be shipped to the EPA and installed in the Administrator's office. Do you have any availability next week? Preferably Wednesday or later.

Pick-up:

SAAM-DWRC

Loading dock: 9th and G Street NW

Washington, DC 20001

Contact: Packing and Shipping office, 202-633-2292

Artworks:

1975.74: William Sonntag, *Mountain Landscape*, oil on canvas, unframed dims 51 ¼ x 41 1/8 in.

1985.30.59: Paul Resika, *The Great Rocks*, oil on canvas, unframed dims: 24 1/8 x 30 1/8 in.

1964.1.70: Erle Loran, *Barge Dock*, oil on canvas, unframed dims: 30 x 36 in.

Delivery:

Environmental Protection Agency

1200 Pennsylvania Ave, NW
Washington, DC

Contact: SeVera Wilson, Ex. 6

I will travel over with the shipment and be there for condition reporting and installation. This job should be billed to the EPA.

Thank you!

Subject: RE: Transit of loans to EPA
Attachments: a164792.pdf

Hi,

The estimate is attached. We can do that Thursday time slot. I am being asked if the walls we are installing on are paneled?

We will get all the driver information to you by Tuesday of next week.

Thanks,

Matt

Hi Jenni, So that you can have access to the loading dock, please be sure to provide me with the truck information, driver & his assistant's name & DOB. Date & time they will be arriving.

Jenni, Is there a fee for the installation of the artwork?

Thanks.

Subject: Transit of loans to EPA

Hello Matt,

I hope you are well! We have three framed, pre-packed artworks that will need to be shipped to the EPA and installed in the Administrator's office. Do you have any availability next week? Preferably Wednesday or later.

Pick-up:
SAAM-DWRC
Loading dock: 9th and G Street NW
Washington, DC 20001

Contact: Packing and Shipping office, 202-633-2292

Artworks:
1975.74: William Sonntag, *Mountain Landscape*, oil on canvas, unframed dims 51 ¼ x 41 1/8 in.
1985.30.59: Paul Resika, *The Great Rocks*, oil on canvas, unframed dims: 24 1/8 x 30 1/8 in.
1964.1.70: Erle Loran, *Barge Dock*, oil on canvas, unframed dims: 30 x 36 in.

Delivery:

Environmental Protection Agency
1200 Pennsylvania Ave, NW
Washington, DC

Contact: SeVera Wilson,

Ex. 6

I will travel over with the shipment and be there for condition reporting and installation. This job should be billed to the EPA.

Thank you!

Jenni Lee
Assistant Registrar, Exhibitions & Loans
Smithsonian American Art Museum

Hi jenni,

Here is our estimate we can do the Thursday time slot.

Thanks,

Matt

DESCRIPTION OF SERVICES

Pickup Date: 6/29 12-1

From: SAAM DWRC,

Delivery Date: 6/29 2-3:30

To: EPA,

ITEMS

Items	Qty	H	L	D
William Sonntag "Mountain Landscape"	1	51.75	41.25	2
Paul Resika "The Great Rocks"	1	24.25	30.25	2
Erle Lorán "Barge Dock"	1	30	36	2

ESTIMATED CHARGES

Total Charge:

This ESTIMATE is based on the information that you provided. Prices are good for 30 days from the date of estimate. Service dates are subject to availability at the time of confirmation. Cancellations with less than one day's notice may be subject to a cancellation fee. If the actual scope of work changes, additional charges may apply.

Artex's liability for loss or damage to your property, regardless of cause, is limited to a maximum value of \$0.60 per pound. If you would like Artex to increase its limitation of liability to cover the full value of your property you must declare a value in writing prior to commencement of services. Artex charges a valuation fee based on declared value.

Yes, that works for Artex. We could collect from SAAM between 9 and 10 am and go directly to the EPA. Please confirm, when you have the rods, so we can proceed for Monday.

Thanks,
Wojciech

Hi SeVera,

I just spoke with Wojciech about your proposal. That is not supportable for Artex or for me. Artex would have to charge you for the overtime and find volunteers to work extra. I'm not available either and I need to be present for installation.

Is Monday during regular business hours a possibility?

Hi Michelle,

It is too late, at 4PM we needed to tell our crew weather they were working or not and we told them they were not. I did not want to have to charge a cancellation fee and that was the cut off.

Can we work on the next time the area will be available.

Thanks,

Matt
