**"SEE A BLOOM, GIVE IT ROOM"**

# HARMFUL ALGAL BLOOM VIDEO CHALLENGE

We want **your help** promoting public awareness of harmful algal blooms to people who recreate in or near the water such as pet owners, boaters, swimmers, and fishermen.

## The Rules:

High school students (**grades 9-12**) are eligible to participate.

Videos need to be **2 minutes or less**.

Entries should teach people how to **spot** harmful algal blooms and how to be **safe** around them.

Participants must be a resident of an EPA Region 7 or Region 8 state or tribal lands.\*

For more details on the contest, visit: [www.epa.gov/innovation/harmful-algal-bloom-video-challenge](http://www.epa.gov/innovation/harmful-algal-bloom-video-challenge)

\*Region 7 includes Iowa, Kansas, Missouri, Nebraska, and nine tribal nations. Region 8 includes Montana, North Dakota, South Dakota, Wyoming, Utah, Colorado, and 27 tribal nations.

Winning videos for each state or regional tribe will receive \$2,000. Two grand prize winners will win \$4,000.

Submissions are due by 11:00 p.m. (EST) January 3, 2020.
