

The Top Retail (as of July 29, 2019)

The Top 30 Retail list represents the largest green power users among retail partners within the Green Power Partnership. The combined green power usage of these organizations amounts to nearly 4.5 billion kilowatt-hours of green power annually, which is equivalent to the electricity use of over 416,000 average American homes each year.

| No. # | Account Name | Green Power (kWh) | Partners % GP | Resource Mix |
