

Green Power Partnership Top 30 Retail List

Released on January 27, 2020

The Top 30 Retail list represents the largest green power users among retail partners within the Green Power Partnership. The combined green power usage of these organizations amounts to nearly 5.4 billion kilowatt-hours of green power annually, which is equivalent to the electricity use of over 442,000 average American homes each year.

Partner Name	Annual Green Power Usage (kWh)	GP % of Total Electricity Use*	Green Power Resources
