

Details about LMOP Special Sessions on March 25, 2020

Agenda Available for LMOP Special Sessions

March 25, 2020

The U.S. EPA Landfill Methane Outreach Program (LMOP) is providing additional information about the [Special Sessions](#) we are hosting in conjunction with the Solid Waste Association of North America (SWANA) [43rd Annual Landfill Gas and Biogas Symposium](#) in **Atlanta, Georgia**.

SWANA's event takes place March 23 through March 26, with the **LMOP Sessions taking place on Wednesday, March 25**.

Agenda

The agenda for the LMOP Sessions is available on our [Special Sessions webpage](#).

Registration

Online registration for the full SWANA event is managed through [SWANA's website](#). Registration for the full SWANA event includes attendance at the LMOP Sessions.

No-cost registration is available for those wishing to attend **only the LMOP Sessions**. Please contact lmop@epa.gov if you wish to attend only the LMOP Sessions.

Meet the LMOP Team

The LMOP team will be exhibiting at Booth #419 at the SWANA event. LMOP is pleased to welcome Ellen Meyer to the team as a Program Manager. Ellen comes to LMOP from EPA's Office of Land and Emergency Management where she worked to improve measurement and analysis of food loss and waste, promoting the U.S. goal of reducing food loss and waste 50% by 2030. Please stop by and say hello!

Other Information

Please visit [SWANA's website](#) for questions about hotels or other information about the SWANA event. If you have **questions about the LMOP Sessions** besides wanting to register, please contact LMOP [through our website](#).

Sincerely,

The LMOP Team

To request removal from this email list, please reply to this message. For further information or questions about LMOP, please do not reply to this email message, but rather visit the [LMOP website](#). Thank you.
