

Potential Federal Funding Sources for Tribal Reuse Projects

Note: This is a list of potential federal sources of funding for wastewater recycling and stormwater capture and use projects. There is no guarantee these funding sources will be available for reuse/capture projects. Checking in early with the funding managers is crucial to determine whether specific projects are eligible for funding consideration. This list is not comprehensive; there may be additional federal funding available through other grant and loan programs.

Department of Agriculture

Water and Waste Disposal Loan and Grant Program <https://www.rd.usda.gov/programs-services/water-waste-disposal-loan-grant-program>

Single Family Housing Direct Home Loans <https://www.rd.usda.gov/programs-services/single-family-housing-direct-home-loans>

Single Family Housing Repair Loans/Grants <https://www.rd.usda.gov/programs-services/single-family-housing-repair-loans-grants>
