

Alexander Smith, Deputy Area Manager
Phoenix Area Office

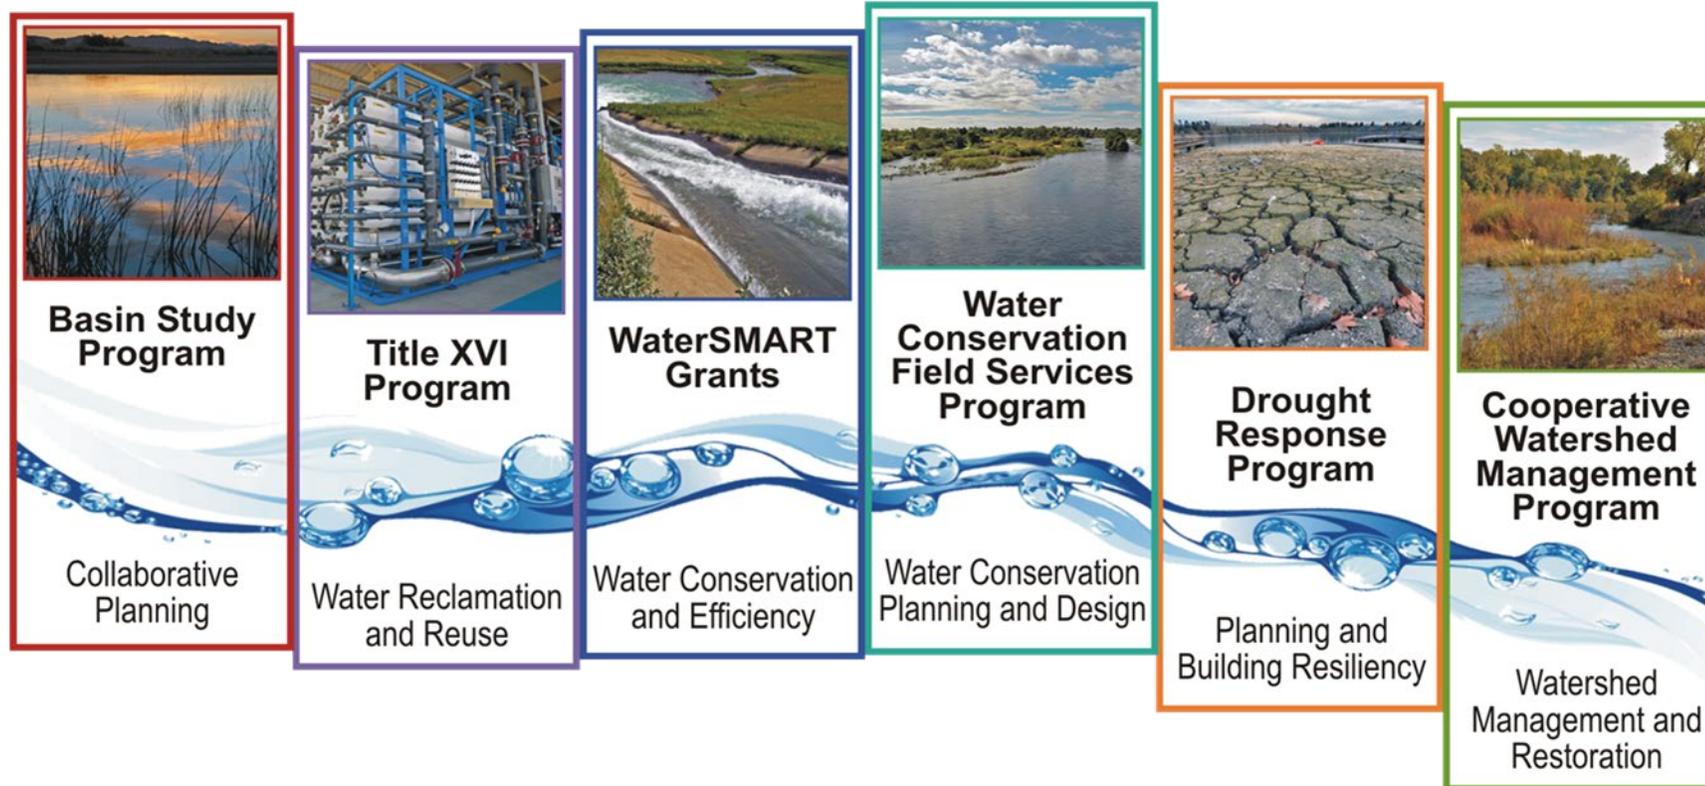

**BUREAU OF RECLAMATION
INTERIOR REGION 8**

Reclamation Programs

- **WaterSMART Programs**
 - Increases water supply reliability through investments and attention to local water conflicts
 - Supports water conservation and water management improvements to help meet competing demands for water
- **Science and Technology**
 - Innovative solutions for water and power challenges for Reclamation water and facility managers and the stakeholders they serve
- **Desalination and Water Purification Research Program**
 - Reduce the costs and environmental impacts of treating impaired and unusable waters

WaterSMART Program

Provides a framework for Interior to support water supply reliability for multiple water users.
