

LMOP's 2020 Special Session Presentations Now Available

LMOP Special Session Presentations

The U.S. EPA Landfill Methane Outreach Program (LMOP) is pleased to announce that the **presentations from our 2020 Special Sessions are now available** on the LMOP website. LMOP held two virtual sessions on June 25, 2020 as part of the Solid Waste Association of North America (SWANA)'s 43rd annual Landfill Gas (LFG) and Biogas Symposium.

The presentations included:

- updates about LMOP resources and tools;
- EPA's survey of anaerobic digestion facilities processing food waste;
- Dane County, Wisconsin's latest renewable natural gas (RNG) project;
- options for upgrading high-nitrogen LFG into RNG; and
- a panel discussion about RNG.

The presentations are available at epa.gov/lmop/lmop-special-sessions-2020.

Sincerely,

The LMOP Team
