Re: Resolution of EPA Complaint No. 02NO-20-R6

Dear Deputy Director Chancellor:

This letter is to inform you that the U.S. Environmental Protection Agency (EPA), External Civil Rights Compliance Office (ECRCO) is resolving this complaint based on the enclosed Informal Resolution Agreement (“Agreement”) entered into between EPA and the Texas Commission on Environmental Quality (TCEQ). On December 4, 2019, EPA accepted for investigation a complaint against TCEQ alleging discrimination on the basis of national origin against individuals with limited English proficiency (LEP) in the administration of TCEQ’s permitting and public engagement programs, in violation of Title VI of the Civil Rights Act of 1964 and EPA’s nondiscrimination regulation, at 40 C.F.R. Part 7. The complaint was assigned EPA Complaint No. 02NO-20-R6. Specifically, EPA accepted the following issue for investigation:

Whether TCEQ discriminates against residents in the state of Texas on the basis of national origin, limited-English proficiency, including against Latino Spanish-speaking LEP residents, by failing to consistently provide effective public notice and meaningful access to TCEQ’s programs and activities, including those relating to environmental permitting, such as translation of vital documents into Spanish and additional languages other than English, as appropriate, and providing language interpretation services at public meetings, in violation of Title VI of the Civil Rights Act of 1964 and EPA’s implementing regulation at 40 C.F.R. Part 7.

During the course of EPA’s investigation, TCEQ agreed to enter into the Agreement in order to resolve EPA Complaint No. 02NO-20-R6. The enclosed Agreement is entered into by EPA pursuant to the authority granted to EPA under the federal nondiscrimination laws, including Title VI and 40 C.F.R. Part 7. It is understood that the Agreement does not constitute an admission by TCEQ of any violation or a finding by EPA of compliance or noncompliance with applicable federal non-discrimination laws and regulation.

The enclosed Agreement does not affect TCEQ's continuing responsibility under Title VI, 40 C.F.R. Parts 5 and 7, and other federal nondiscrimination laws, nor does it affect EPA's investigation of any Title VI or other federal civil rights complaints or address any other matter not covered by this Agreement. This letter sets forth EPA's disposition of the complaint. This letter is not a formal statement of EPA policy and should not be relied upon, cited, or construed as such.

EPA is committed to working with TCEQ as it implements the provisions of the Agreement. If you have any questions regarding this letter and the Agreement between EPA and TCEQ, please contact me at (202)564-9649 or by e-mail at dorka.lilian@epa.gov.

Sincerely,

Lilian S. Dorka, Director

INFORMAL RESOLUTION AGREEMENT
between the
TEXAS COMMISSION ON ENVIRONMENTAL QUALITY
AND THE
UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
EPA COMPLAINT NO. 02NO-20-R6

I. PURPOSE AND JURISDICTION

- A. Title VI of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000d to 2000d-7 (“Title VI”), and other federal nondiscrimination laws, and United States Environmental Protection Agency’s (“EPA”) implementing regulations at 40 C.F.R. Parts 5 and 7 prohibit discrimination on the basis of race, color, national origin, disability, sex, age, and intimidation and retaliation in the programs, services and activities of applicants for or recipients of federal financial assistance.¹ Texas Commission on Environmental Quality (TCEQ) receives financial assistance from EPA and, therefore, must ensure nondiscrimination in its programs and activities pursuant to federal nondiscrimination laws and EPA’s implementing regulation.
- B. On December 4, 2019, the EPA External Civil Rights Compliance Office within the Office of General Counsel (ECRCO) accepted for investigation a complaint against TCEQ, pursuant to Title VI and EPA’s implementing regulations at 40 C.F.R. Parts 5 and 7. EPA accepted for investigation the following issue:

Whether TCEQ discriminates against residents in the state of Texas on the basis of national origin, limited-English proficiency, including against Latino Spanish-speaking LEP residents, by failing to consistently provide effective public notice and meaningful access to TCEQ’s programs and activities, including those relating to environmental permitting, such as translation of vital documents into Spanish and additional languages other than English, as appropriate, and providing language interpretation services at public meetings, in violation of Title VI of the Civil Rights Act of 1964 and EPA’s implementing regulation at 40 C.F.R. Part 7.

¹ Title VI of the Civil Rights Act of 1964, 42 United U.S.C. §§ 2000d to 2000d-7 (Title VI); Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794; Title IX of the Education Amendments of 1972, as amended, 20 U.S.C. § 1681 *et seq.*; Federal Water Pollution Control Act Amendments of 1972, Pub. L. 92-500 § 13, 86 Stat. 903 (codified as amended at 33 U.S.C. § 1251 (1972)); Age Discrimination Act of 1975, 42 U.S.C. § 6101 *et seq.*; 40 C.F.R. Parts 5 and 7.

- C. During the course of ECRCO's investigation, TCEQ agreed to enter into this Informal Resolution Agreement (Agreement). This Agreement serves to resolve the issue accepted for investigation in the complaint. This Agreement is entered into pursuant to the authority granted EPA under the federal non-discrimination laws, including Title VI of the Civil Rights Act of 1964, and the EPA regulations found at 40 C.F.R. Parts 5 and 7, and resolves EPA Complaint No. 02NO-20-R6 and additional concerns identified by EPA.
- D. This Agreement is entered into voluntarily by TCEQ and does not constitute an admission by TCEQ of a violation of, or a finding of compliance or noncompliance by EPA with Title VI or the other federal non-discrimination laws enforced by EPA pursuant to the regulations at 40 C.F.R. Parts 5 and 7.
- E. TCEQ is committed to carrying out its responsibilities in a nondiscriminatory manner, in accordance with the requirements of Title VI and the other federal non-discrimination laws enforced by EPA regulations at 40 C.F.R. Parts 5 and 7. The activities detailed in Sections III and IV of this Agreement are in furtherance of TCEQ's ongoing commitment.

II. BACKGROUND

- A. On May 23, 2017, ECRCO resolved EPA Complaint No. 01R-00-R6 involving TCEQ based on an Informal Resolution Agreement between EPA and TCEQ. As part of the complaint resolution, ECRCO reviewed TCEQ's policies and procedures regarding its foundational nondiscrimination program, including the procedural safeguards required by EPA's nondiscrimination regulation, public participation policies and procedures, as well as required policies and procedures to ensure meaningful access to TCEQ programs and activities for persons with disabilities and limited-English proficiency (LEP). ECRCO determined to work with TCEQ on its nondiscrimination program under a separate process.
- B. Under the separate process, beginning in May 2018, ECRCO provided technical assistance to TCEQ regarding its nondiscrimination program obligations and best practices, including notice of nondiscrimination, grievance procedures, nondiscrimination coordinator, providing meaningful access for individuals with LEP (including the best practice of developing an LEP plan as described in EPA's LEP Guidance, 69 FR 35602 (2004), <https://www.federalregister.gov/documents/2004/06/25/04-14464/guidance-to-environmental-protection-agency-financial-assistance-recipients-regarding-title-vi>) and disabilities, and public participation.
- C. In response to the separate process, TCEQ undertook the following actions in 2018 and 2019 with respect to its nondiscrimination program:
 - 1. Published a notice of nondiscrimination entitled "Environmental Equity: Nondiscrimination in TCEQ Processes" on its website, accessible via a

link to the notice on the TCEQ website homepage (<https://www.tceq.texas.gov/>), and updated the signs placed at desks/check-in areas that provide notice that TCEQ does not discriminate;

2. Updated its grievance procedures for resolution of discrimination complaints (https://www.tceq.texas.gov/assets/public/comm_exec/pm-ph/env-eq/Grievance%20Procedures-2019-4-2.pdf), which are accessible from TCEQ's website at <https://www.tceq.texas.gov/agency/decisions/hearings/envequ.html#report>
3. Identified a nondiscrimination coordinator, Jim Fernandez, whose contact information is available on TCEQ's website at <https://www.tceq.texas.gov/agency/decisions/hearings/envequ.html#report>
4. Translated its nondiscrimination webpage, which includes the above nondiscrimination information in C.1. through 3. above, into Spanish (<https://www.tceq.texas.gov/agency/decisions/hearings/equidad-ambiental-la-no-discriminacion-en-los-procesos-de-la-tceq>);
5. Modified the search functions on TCEQ's website related to nondiscrimination so that website searches are more responsive; and
6. Updated its employee training to ensure that federal nondiscrimination laws, policies and procedures are a part of the training program.

D. TCEQ has implemented other measures to meet its obligations under federal non-discrimination statutes to provide reasonable accommodations and meaningful access for persons with disabilities to TCEQ's programs and activities:

1. TCEQ notifies the public of available resources by including language on public documents that contain instructions for seeking reasonable accommodations to individuals with disabilities. This includes, but is not limited to, notices of public meetings, notices of public hearings, notices of rulemaking, and notices of the commission's public agenda meetings.²
2. TCEQ's public commission agenda meetings are broadcast on the internet (*see* <https://www.tceq.texas.gov/agency/decisions/agendas/agenda.html>), and the broadcasts are closed-captioned. TCEQ provides information on its website for accessing the broadcasts. The notice for the meeting

4. Pursuant to TCEQ's Website Accessibility Policy, https://www.tceq.texas.gov/help/policies/accessibility_policy.html, TCEQ is committed to making its website and webpages accessible to all users, and to continually review and update them for accessibility.

III. SPECIFIC TCEQ COMMITMENTS

A. Community Meetings

1.
