A summary of roles that apply to the CEDRI program service are listed below. Please note that registration for a State Reviewer and an EPA Regional Reviewer should be requested outside of the CEDRI application by contacting EPA via email: CEDRI@epa.gov. Please provide the required information provided within the role descriptions shown below.

Preparer: The Preparer is the person responsible for the preparation of reports for signature. Contractors are permitted to register as a Preparer and may assemble submission packages, such as files generated by the Emissions Reporting Tool (ERT), for the Certifier's approval and signature. The Certifier may perform all the tasks the Preparer may perform, but also has signing and submission authority. Contractors are prohibited from registering as a Certifier.

Delegated Certifier: The Delegated Certifier is a person granted authority by a registered Certifier to sign and submit packages on behalf of the Certifier. The Delegated Certifier is authorized to modify the package a Preparer has assembled, and sign and submit the package to CDX. The Delegated Certifier may perform all the tasks the Preparer may perform, but also has signing and submission authority. Contractors are prohibited from being appointed as a Delegated Certifier.
