

LMOP Shares Details about EPA Landfill Emissions Workshop

As a service to our Partners and other stakeholders, EPA's Landfill Methane Outreach Program (LMOP) is sharing information about an upcoming **Landfill Surface Emissions Monitoring and Measurement Virtual Workshop**, hosted by EPA's Office of Air Quality Planning and Standards (OAQPS). Please note that LMOP is not affiliated in any way with this event.

The workshop will consist of two virtual, half-day sessions on **Tuesday, January 26, 2021** and **Thursday, January 28, 2021**, from **1:00 PM to 4:30 PM (ET)** each day. The sessions are an opportunity to learn about **emerging surface emissions monitoring and measuring technologies at municipal solid waste landfills**.

The workshop is free to attend and open to the public. For more information about schedule and presenters, and to register for this event, see <https://www.epa.gov/stationary-sources-air-pollution/forms/us-epa-landfill-surface-emissions-monitoring-and-measurement>.

For **questions about this workshop**, please contact Shannon Banner at banner.shannon@epa.gov or John C. Evans at evans.john@epa.gov.

To request removal from this email list, please reply to this message. For further information or questions about LMOP, please do not reply to this email message, but rather visit the [LMOP website](#). Thank you.
