

The Water Infrastructure Finance and Innovation Act (WIFIA) program accelerates investment in our nation's water infrastructure by providing long-term, low-cost supplemental loans for regionally and nationally significant projects.

## SPRINGFIELD WATER AND SEWER COMMISSION

**PROJECT NAME:** Water and Wastewater Infrastructure Renewal Program

**LOCATION:** Springfield, MA

**INVITED WIFIA LOAN AMOUNT:** \$252 million

**POPULATION SERVED BY PROJECT:** 250,000

**PROJECT TYPE:** Combined

### PROJECT DESCRIPTION:

The Water and Wastewater Infrastructure Renewal Program will include 30 integrated water and wastewater infrastructure projects that will address aging infrastructure. The projects include rehabilitation, replacement, and upgrades to the Commission's drinking water and wastewater treatment processes. The purpose of these projects is to address current and future regulatory non-compliance problems, including the removal of disinfection byproducts and new water discharge limits, and ensure system reliability and redundancy.

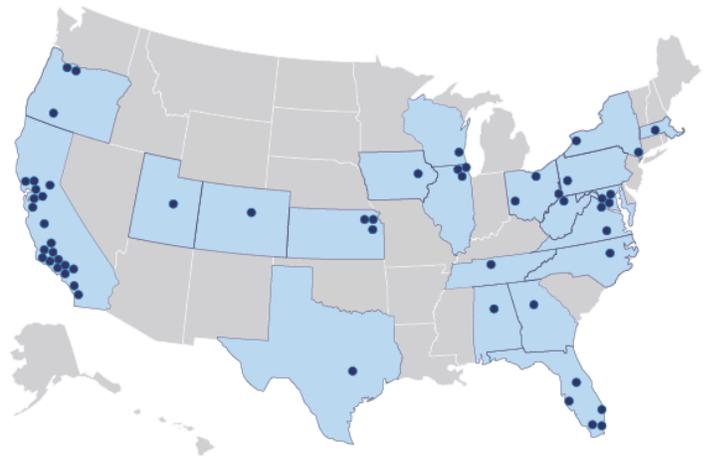

## FY 2020 SELECTION ROUND

**NUMBER OF PROJECTS SELECTED:** 55

**TOTAL LOAN AMOUNT:** \$5.1 billion

**TOTAL WATER INFRASTRUCTURE INVESTMENT SUPPORTED:** \$12.5 billion

**NUMBER OF PEOPLE IMPACTED:**  
25 million in 20 states

Selected projects must submit an application for a WIFIA loan, pass a creditworthiness assessment, negotiate a mutually agreeable term sheet, and execute a credit agreement to receive WIFIA funding. An invitation to apply indicates that EPA believes the selected projects will be able to attain WIFIA loans.
