

**NATIONAL MARINE FISHERIES SERVICE
ENDANGERED SPECIES ACT SECTION 7
DRAFT BIOLOGICAL OPINION**

Title:

Environmental Protection Agency's Registration of
Pesticides containing Metolachlor and 1,3-Dichloropropene

Action Agency:

Environmental Protection Agency

Consultation Conducted By:

Endangered Species Act Interagency Cooperation Division, Office of Protected Resources

TABLE OF DOCUMENTS

BIOLOGICAL OPINION SECTION	DOCUMENT
Executive Summary	Executive Summary
Introduction.....	Chapter 1-3
Consultation Background.....	Chapter 1-3
Consultation History	Chapter 1-3
Assessment Framework	Chapter 4
Description of the Proposed Action.....	Chapter 5-6
Action Area.....	Chapter 5-6
Species and Critical Habitat LAA and NLAA Determinations	Chapter 7
Status of Species and Designated Critical Habitat.....	Chapter 8
Environmental Baseline	Chapter 9
Cumulative Effects.....	Chapter 10
Introduction to the Effects to ESA-listed Species.....	Chapter 11
Effects of the Action to ESA-listed Species	Chapter 12
Integration and Synthesis for ESA-listed Species	Chapter 13
Introduction to the Effects to Designated Critical Habitat.....	Chapter 14
Effects of the Action to Designated Critical Habitat	Chapter 15
Integration and Synthesis for Designated Critical Habitat	Chapter 16
Conclusion	Chapter 17
Reasonable and Prudent Measures.....	Chapter 18
Incidental Take Statement.....	Chapter 18
Terms and Conditions	Chapter 18
Conservation Recommendations	Chapter 18
Reinitiation Notice	Chapter 18
Literature Cited	Chapter 19
Appendices	
<i>Pacific Salmonid Population Modeling</i>	Appendix A
<i>Formulated Products</i>	Appendix B
<i>EEC Approach for 1,3-D & Chloropicrin</i>	Appendix C
<i>Risk Plot Generation</i>	Appendix D

<i>Supplemental Files</i>	Appendix E
Attachments	
<i>Chloropicrin & 1,3-D runoff</i>	Attachment A
<i>National and State Use and Usage Summaries</i>	Attachment B
