

**National Advisory Council for  
Environmental Policy and Technology**

**Agenda  
March 26-27, 2012**

**1201 Constitution Ave, NW  
EPA East Building, Room 1153  
Washington, DC 20004**

**Purpose:** For the Council to present final advice letters addressing two topics: 1) leadership development and organizational transformation at EPA, and 2) the need for technologies that can help address environmental problems experienced by environmental justice communities and other vulnerable populations. In addition, the Council will discuss the charge on Sustainability and the U.S. EPA and approve the first draft advice letter on sustainability.
