

# Healthy Air: Indoors and Out

A free webinar in Spanish and English on how to protect your home and family from air pollution

Join us to learn about indoor and outdoor air pollution in the U.S.-Mexico border region and what you can do to protect your home and community. Presenters will share information on common air pollution sources, potential health impacts from poor air quality, and tips and tricks for creating safe environments. All members of the public are welcome!

**Date:** August 12, 2021
