As a service to our Partners and other stakeholders, EPA's Landfill Methane Outreach Program (LMOP) is sharing information about a request for proposals (RFP) from the City of Denton, Texas. Please note that EPA is not affiliated in any way with the review and selection process. Information provided below is based on the RFP.

The City of Denton is soliciting qualifications and innovative proposals for the development of a landfill gas (LFG) energy project at the City of Denton Landfill. The City's preferred end use is renewable natural gas with pipeline injection, although other options will be reviewed.

Additional biogas will be provided for the project from the Pecan Creek Wastewater Treatment Plant (WWTP). The landfill is located at 1527 S. Mayhill Road, Denton, TX 76208. The WWTP is located adjacent and to the east/northeast of the landfill at 1100 S. Mayhill Road.

- Virtual Pre-Bid Conference: 6/2/2021 - 1:30 PM [CT]
- In-Person Site Visit: 6/14/2021 - 9:00 AM [CT]
- Questions Deadline: 6/14/2021 - 5:00 PM [CT]
- Proposal Deadline: 6/28/2021 - 11:00 AM [CT]

The City is not accepting hardcopy bids. Both questions and proposals must be submitted electronically at https://dentontx.ionwave.net, for Solicitation #7678.

Please refer to the RFP for complete details. The RFP is available through the City's website at https://dentontx.ionwave.net/PublicDetail.aspx?bidID=876&ret=OPEN&pg=0&bidNumber=&title=&type=&org=.

To request removal from this email list, please reply to this message. For further information or questions about LMOP, please do not reply to this email message, but rather visit the LMOP website. Thank you.
