

AGENDA—Pesticide Program Dialogue Committee Fall Meeting 2021

DAY ONE: Wednesday, October 27

Meeting link (public/non-speaker): <https://abtassociates.webex.com/abtassociates/onstage/g.php?MTID=e199bd9cb98cb11c7c6f5595d2157fa3f>

(Times are EDT)

11:00-11:10 Meeting Welcome

Ed Messina, Director, Office of Pesticide Programs, Office of Chemical Safety and Pollution Prevention

11:10-11:25 Welcome and Opening Remarks

Jake Li, Deputy Assistant Administrator for Pesticide Programs, Office of Chemical Safety and Pollution Prevention

11:25-11:55 Introductions by PPDC Members

11:55-12:45 OPP Updates: Recent Activities and Accomplishments

Session Chair: Ed Messina, Director, Office of Pesticide Programs

Session Goal: To provide an overview of recent accomplishments by and changes within OPP, and to discuss these with PPDC members.

12:45-1:15 Lunch Break

1:15-2:30 Farmworker and Clinician Training Workgroup Report-out

Session Chairs: Mily Treviño-Sauceda, Alianza Nacional de Campesinas, Inc.; Carolyn Schroeder, Chief, Certification and Worker Protection Branch; Steve Schaible, Pesticide Registration Improvement Act (PRIA) Coordinator

Session Goals: For the full PPDC to discuss the work and recommendations of the Farmworker and Clinician Training Workgroup. The PPDC will provide feedback and thoughts about group's work and discuss formally sending the workgroup's recommendations to EPA.

2:30-3:00 CDC-NIOSH-Sentinel Event Notification System for Occupational Risk (SENSOR) Program

Session Chair: Dr. Walter Alarcon, SENSOR-Pesticides Program Project Officer, National Institute for Occupational Safety and Health, Centers for Disease Control and Prevention

Session Goal: To provide an overview of pesticide-related surveillance activities conducted at NIOSH, how the SENSOR-Pesticides program obtains data, how quality assurance and quality control are maintained, and results.

3:00-4:30 Risk Communication

Presenter: Kaci Buhl, Assistant Director, National Pesticide Information Center

Session Goals: To provide PPPDC members with an overview of objective, science-based risk communication.

4:30-5:00 Public Comments

5:00 Meeting Adjourns

AGENDA—Pesticide Program Dialogue Committee Fall Meeting 2021

DAY TWO: Thursday, October 28

11:00-11:05 Housekeeping

11:05-12:20 Emerging Pathogens Workgroup Report-out

Session Chairs: Komal Jain, Center for Biocide Chemistries; Tajah Blackburn, Senior Scientist, Antimicrobials Division

Session Goals: For the full PPDC to discuss the work and recommendations of the Emerging Pathogens Workgroup. The PPDC will provide feedback and thoughts about group's work and discuss formally sending the workgroup's recommendations to EPA.

12:20-1:00 Lunch Break

1:00-2:15 Emerging Agricultural Technologies Workgroup Report-out

Session Chairs: Mano Basu, Managing Director Regulatory Policy, CropLife America; Ed Messina, Director, Office of Pesticide Programs

Session Goals: For the full PPDC to discuss the work and recommendations of the Emerging Agricultural Technologies Workgroup. The PPDC will provide feedback and thoughts about group's work and discuss formally sending the workgroup's recommendations to EPA.

2:15-2:45 Good Laboratory Practices Inspection Introduction

Presenters: Francisca Liem, Section Chief; Elizabeth Vizard, Acting Deputy Division Director; Dan Myers, Chemist; Monitoring, Assistance, & Media Programs Division, Office of Compliance, Office of Enforcement and Compliance Assurance (OECA)

Session Goals: To introduce the Good Laboratory Practices (GLP) Inspection Section of OECA, which inspects facilities that perform laboratory testing to support pesticide registrations, their interaction with the GLP working group within the OECD, and potential future PPDC review of developing documents and processes.

2:45-4:00 Pesticide Resistance Management Workgroup Report-out

Session Chairs: David Shaw, Mississippi State University; Bill Chism, Senior Biologist, Biological and Economic Analysis Division; Alan Reynolds, Lead Biologist, Biopesticides and Pollution Prevention Division

Session Goals: For the full PPDC to discuss the work and recommendations of the Pesticide Resistance Management Workgroup. The PPDC will provide feedback and thoughts about group's work and discuss formally sending the workgroup's recommendations to EPA.

4:00-4:30 Moving Forward

Session Chair: Ed Messina, Director, Office of Pesticide Programs

Session Goals: To review items discussed during the meeting and discuss moving forward into 2022.

4:30-5:00 Public Comments
