

The Water Infrastructure Finance and Innovation Act (WIFIA) program accelerates investment in our nation's water infrastructure by providing long-term, low-cost supplemental loans for regionally and nationally significant projects.

CITY OF WESTMINSTER

PROJECT NAME: Water2025

LOCATION: Westminster, CO

INVITED WIFIA LOAN AMOUNT: \$129 million

POPULATION SERVED BY PROJECT: 133,000

PROJECT DESCRIPTION:

Water2025 projects include the phased replacement of the aging 44 million gallons per day (MGD) Semper Water Treatment Plant with a new 30 MGD water treatment plant, construction of raw water pipelines, and installation of a new potable water pipeline. The purpose of this project is to serve the City of Westminster and its customers through 2040, improve drinking water quality by 2025, and reduce rising annual maintenance costs of the Semper Water Treatment Plant.

FY 2021 SELECTION ROUND

NUMBER OF PROJECTS SELECTED: 40

NUMBER OF PROJECTS WAITLISTED: 4

TOTAL LOAN AMOUNT: \$8.9 billion

TOTAL WATER INFRASTRUCTURE INVESTMENT SUPPORTED: \$19 billion

NUMBER OF PEOPLE WHO BENEFIT:
50 million in 24 states

The WIFIA program will provide selected entities with innovative financing tools to address pressing public health and environmental challenges in their communities. Consistent with the announced priorities, selected projects will support infrastructure improvements in historically disadvantaged communities, modernize and protect infrastructure from the impacts of extreme weather and climate change, and use new and innovative approaches to address community needs.
