

The Water Infrastructure Finance and Innovation Act (WIFIA) program accelerates investment in our nation's water infrastructure by providing long-term, low-cost supplemental loans for regionally and nationally significant projects.

COUNTY OF HAWAII

PROJECT NAME: Hawaii Wastewater Treatment Upgrades

LOCATION: Hilo, HI

INVITED WIFIA LOAN AMOUNT: \$24 million

POPULATION SERVED BY PROJECT: 65,000

PROJECT DESCRIPTION:

The Hawaii Wastewater Treatment Upgrades project will design and construct components in need of modernization, including headworks, force mains, sewage pumping stations, aeration basins, and upgrades. The purpose of these projects is to ensure full compliance with health and safety regulations and protect against future sewer spills to the groundwater and shorelines.

FY 2021 SELECTION ROUND

NUMBER OF PROJECTS SELECTED: 40

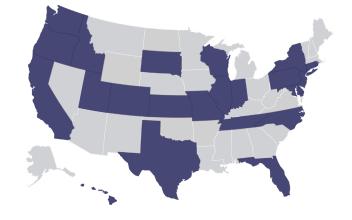

NUMBER OF PROJECTS WAITLISTED: 4

TOTAL LOAN AMOUNT: \$8.9 billion

TOTAL WATER INFRASTRUCTURE INVESTMENT SUPPORTED: \$19 billion

NUMBER OF PEOPLE WHO BENEFIT:

50 million in 24 states

The WIFIA program will provide selected entities with innovative financing tools to address pressing public health and environmental challenges in their communities. Consistent with the announced priorities, selected projects will support infrastructure improvements in historically disadvantaged communities, modernize and protect infrastructure from the impacts of extreme weather and climate change, and use new and innovative approaches to address community needs.
