**NUMBER OF PROJECTS WAITLISTED:** 4

**TOTAL LOAN AMOUNT:** $8.9 billion

**TOTAL WATER INFRASTRUCTURE INVESTMENT SUPPORTED:** $19 billion

**NUMBER OF PEOPLE WHO BENEFIT:** 50 million in 24 states

The WIFIA program will provide selected entities with innovative financing tools to address pressing public health and environmental challenges in their communities. Consistent with the announced priorities, selected projects will support infrastructure improvements in historically disadvantaged communities, modernize and protect infrastructure from the impacts of extreme weather and climate change, and use new and innovative approaches to address community needs.
