

METROPOLITAN ST. LOUIS SEWER DISTRICT

PROJECT NAME: Project Clear - Deer Creek Watershed and Lemay Service Area System

Improvements

LOCATION: St. Louis, MO

INVITED WIFIA LOAN AMOUNT: \$278 million

POPULATION SERVED BY PROJECT: 1,300,000

PROJECT DESCRIPTION:

The Deer Creek Watershed and Lemay Service Area System Improvements projects are sewer and wastewater system projects that will facilitate combined sewer separation, eliminate overcharged sewers, implement new biosolids treatment and dewatering processes at wastewater treatment plants, and construct a new Solids Processing Building. The purposes of these projects is to improve water quality in Deer Creek and protect water quality in the United States' largest watershed by eliminating the flow of sanitary sewage into local channels and diverting flows to the new Deer Creek Tunnel.
