

# Stormwater Funding and Financing Approaches Webinar Series

## *Affordability and Customer Assistance Programs for Stormwater Services*

December 1, 2021, 2:00 – 3:00 PM EST

The fourth in a series of EPA webinars, this event will highlight approaches for addressing affordability and customer's ability to pay for stormwater services using federal, state and local examples.

### Presenters:

#### **Christina Clark**

##### **Office of Community Services, Health and Human Services**

Ms. Clark will provide an overview on Health and Human Services' Low Income Household Water Assistance Program (LIHWAP) and how this program provides funds to assist low-income households with stormwater bills.

#### **Anne Fritzel**

##### **Housing Programs Manager, State of Washington Department of Commerce**

Ms. Fritzel will present on the Washington State Department of Commerce's Connecting Housing to Infrastructure Program (CHIP) and how grants issued under this program can be used to fund stormwater management for affordable housing projects.

#### **Danon Lawson**

##### **Stormwater Utility Administrator, City of Gastonia, NC**

Mr. Lawson will provide an overview of the City of Gastonia's Off-Right-of-Way Stormwater Program, which is designed to assist citizens who have been negatively impacted by stormwater contributions from municipal infrastructure.
