

## LFG Energy Project Opportunity in Deschutes County, OR

As a service to our Partners and other stakeholders, EPA's Landfill Methane Outreach Program (LMOP) is sharing information about a **request for proposals (RFP)** from **Deschutes County, Oregon**. Please note that EPA is not affiliated in any way with the review and selection process. Information provided below is based on the RFP.

Deschutes County Department of Solid Waste is requesting proposals for the **development, construction and implementation of a landfill gas (LFG) energy project** at the active Knott Landfill. The County will consider technologies and developers with a proven and successful record in the United States.

**Questions** may be submitted in writing to Chad Centola, Interim Director of Solid Waste, at [chadc@deschutes.org](mailto:chadc@deschutes.org). **Proposals** must be received by **4:00 PM [PST]** on **Wednesday, January 19, 2022**, for consideration.

Please refer to the **RFP and accompanying files for complete details**, available on the County's website at <https://www.deschutes.org/solidwaste/webform/rfp-landfill-gas-utilization-project-knott-landfill>.
