

**U.S. Environmental Protection Agency
National Drinking Water Advisory Council (NDWAC)
CCR Rule Revision (CCR³) Working Group Meeting (Virtual)
October 12, 2021
10:30 AM to 2:30 PM (Eastern Time)**

Meeting Objectives

- CCR³ Working Group will present the draft recommendations to the NDWAC. The purpose of this presentation will be to brief NDWAC members on the recommendations and remaining issues under consideration by the CCR³ Working Group.
- Public Comment (oral statements from members of the public that requested to comment)
- CCR³ Working Group and NDWAC members will discuss the draft recommendations. The purpose of this discussion will be to identify any additional questions or considerations that the NDWAC members would like the Working Group to address at its final meeting in December.

Advance materials

- Redline of AWIA amendments to SDWA
- NDWAC Charge
- CCR Quick Reference Guide
- CCR³ Working Group Draft Recommendations
