

# Extreme Heat Impacts of Tribal Beneficial Use Plants and Animals

**CLIMATE CHANGE IN OUR CULTURAL LANDSCAPE**

# But first, a word about TEK.... Traditional Ecological Knowledge

- Past and Current Uses
- Ethics and Values
- Factual Observations
- Culture and Identity
- Management Systems

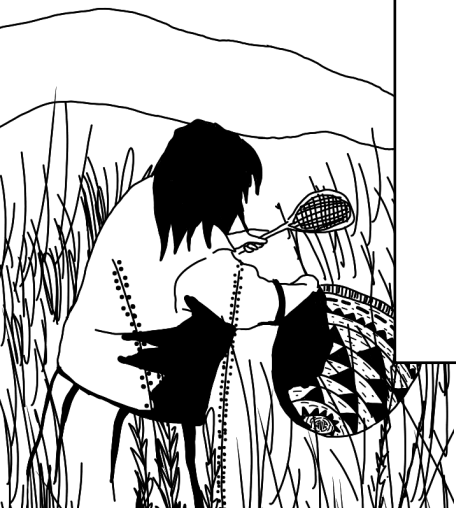

Tribal Beneficial Use Plants and Animals  
are showing a shift in patterns

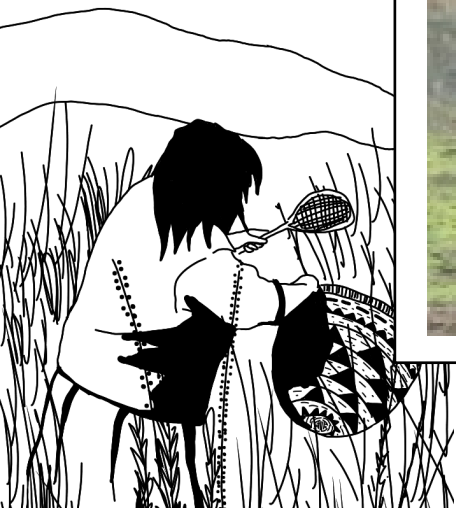

**CLIMATE CHANGE IN OUR CULTURAL LANDSCAPE**

What Changes are  
we seeing?

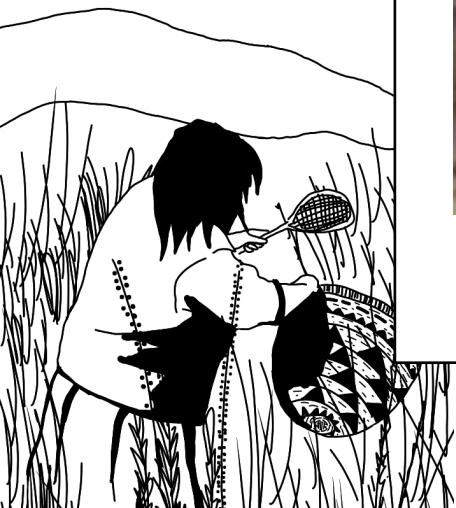

# Lake County Tule Elk

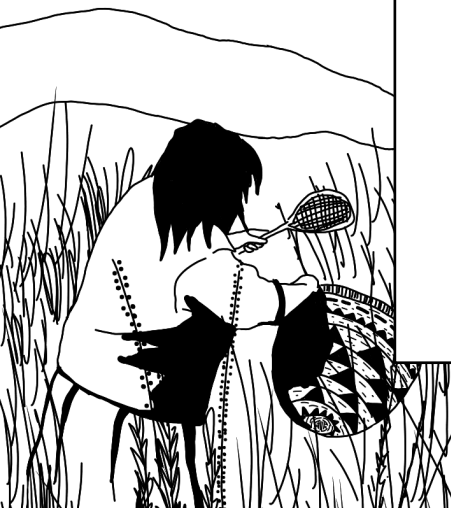

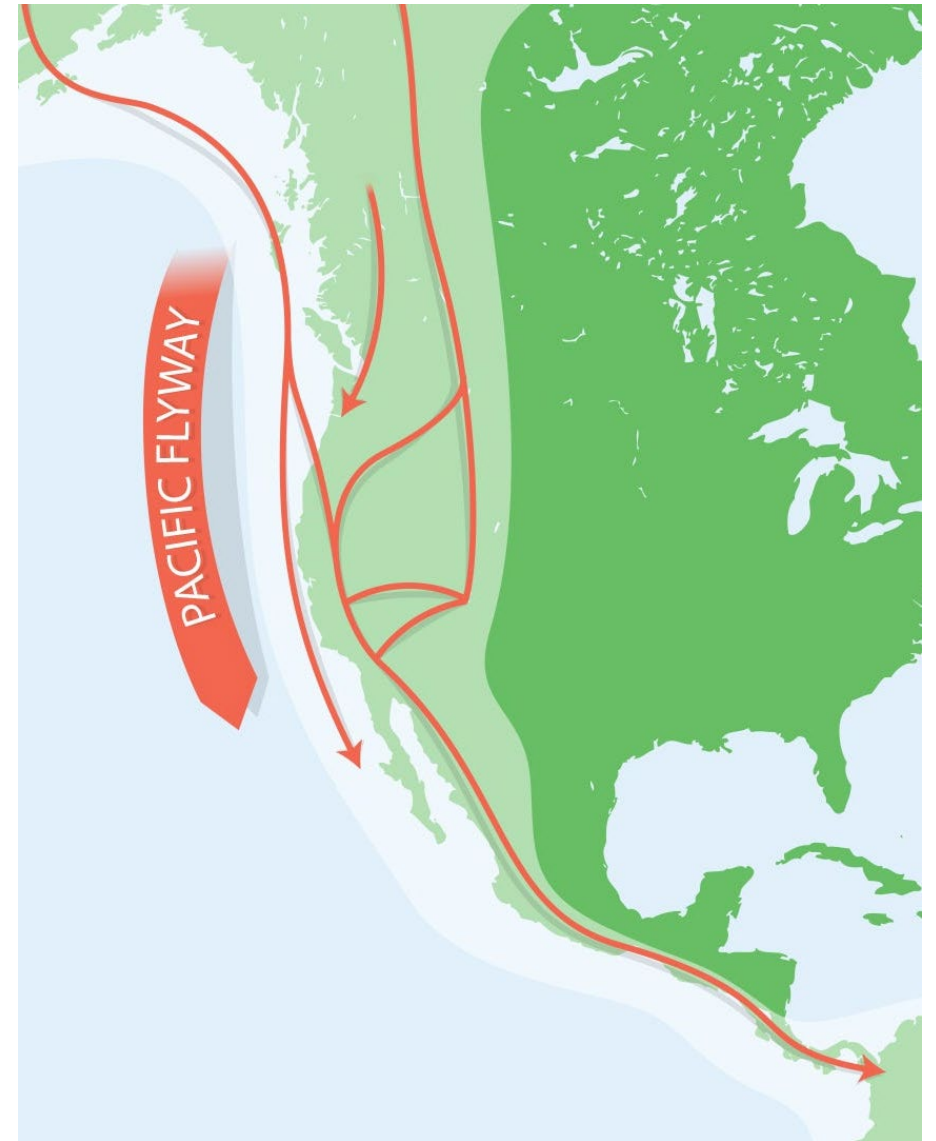

# Black Bears

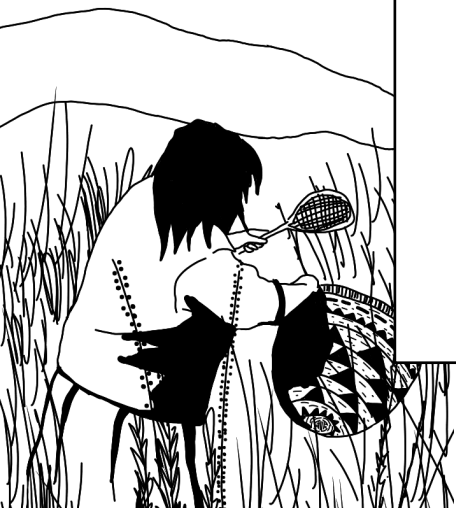

# Birds

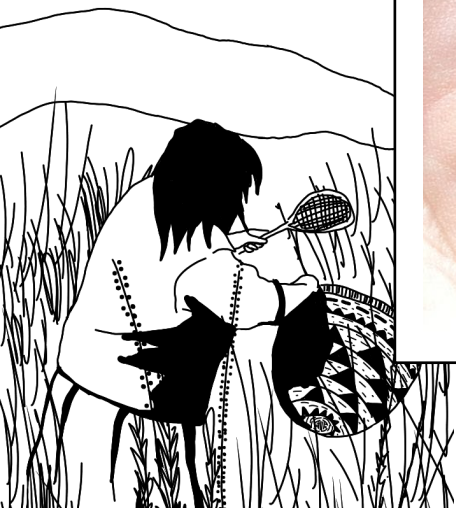

# Elderberry

# Oak Trees and Acorn

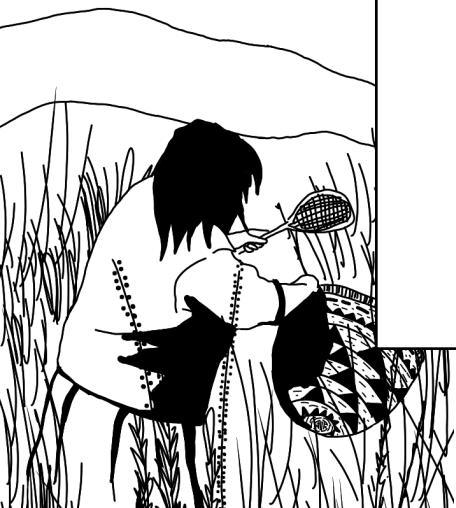

# Other Cultural Use Plants

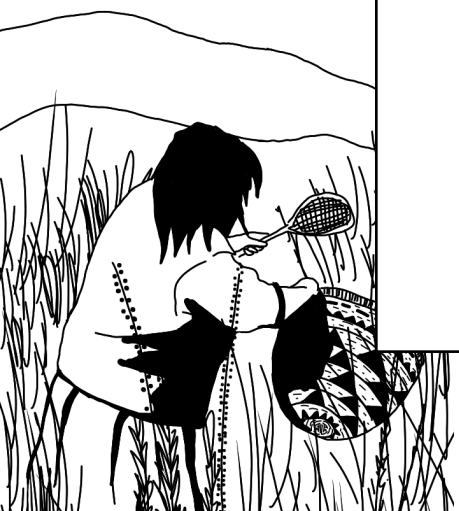

# Addressing Cultural Impacts due to Extreme Heat

# A Quick Story

Yah Weh  
Thank you
