Re: Pollution Control and prevention;
They have a inmate doing "HVAC" none license releasing freon into the air is it not against the law to release freon into the air. This go on regular in the "HVAC". This need to be look at as soon as possible.

This place is own by the state of North Carolina. You might need to send one of your people hear at Greene CI. The building are design for AC and only one is working because of the leak. The need to stop polluting the air.

I HEREBY CERTIFY that the above stated matter are true and correct to the best of information, knowledge and belief.
