I would appreciate it if you can forward to the office of civil rights as it appears that the email address they use only receives attention during an official comment period.

It has been a week since my message was first sent to Region 1.
I am requesting the forms to make an official complaint.
Please respond and provide forms. I also ask the that a letter of reprimand be placed in the personnel file of the staff person who has failed to respond back to the initial inquiry.
Thank you.

I am looking to communicate with the person responsible for Title VI matters as they relate to MassDEP EEA. More specifically, I am inquiring about what oversight may have occurred by EPA Region 1 as it relates to the EPA's Office of Civil Rights policy entitled: *Guidance to Environmental Protection Agency Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons*. I do not believe that MassDEP EEA is operating in a manner that improves access to persons with Limited English Proficiency. I would appreciate you providing contact information for the EPA staff person who holds this responsibility, including their email address, so that I can discuss this matter further.

Thank you.
