The NEJAC will be composed of approximately 25-33 members who will generally serve as representative members of non-federal interests. If needed, members may be appointed to serve as Regular Government Employees (RGEs) or Special Government Employees (SGEs). Representative members are selected to represent the points of view held by organizations, associations, or classes of individuals.

In selecting members, EPA will consider candidates from among, but not limited to community-based groups; industry and business; academic and educational institutions; state and local governments; indigenous organizations and Federally-recognized tribal governments and Indigenous groups; and non-governmental and environmental groups, as deemed appropriate.

13. Subcommittees:

EPA, or the NEJAC with EPA approval, may form subcommittees or work groups for any purpose consistent with this charter. Such subcommittees or work groups may not work independently of the chartered committee and must report their proposed recommendations and advice to the chartered NEJAC for full deliberation and discussion. Subcommittees or work groups have no authority to make decisions on behalf of the chartered committee nor can they report directly to the EPA.

14. Recordkeeping:

The records of the committee, formally and informally established subcommittees, or other subgroups of the committee, will be handled in accordance with NARA General Records Schedule 6.2 and EPA Records Schedule 1024 or other approved agency records disposition schedule.
