

# Technical Assistance to Brownfields

TAB is an EPA funded grant program that helps communities **address their brownfield challenges**

## TAB Provides:

Technical assistance to communities to help cleanup and reuse brownfields sites

## Assistance can include:

- Understanding the health impacts of brownfields sites;
- **Learning the science and technology used for site cleanup;**
- Learning how to comply with cleanup requirements.

## Apply for a 2023 TAB Grant

**Upcoming solicitation: Fall 2022**

This solicitation is anticipated at **\$5 million** over a 5-year period of performance for each of EPA's 10 Regions and **\$3 million** for nationwide projects
