Re: Rejection of Correspondence

Dear (b)(6) Privacy, (b)(7)(C) Enf. P

This message relates to the referenced correspondence which the U.S. Environmental Protection Agency (EPA), Office of External Civil Rights Compliance (OECRC) received on November 26, 2022, wherein you allege various actions taken by the Carroll County, IL Sherriff Department. After careful review, OECRC has determined that your correspondence is not a complaint as defined by Section 1.1 of our Case Resolution Manual (CRM, available at https://www.epa.gov/sites/default/files/2021-01/documents/2021.1.5_final_case_resolution_manual.pdf), because it expresses only general concerns without providing information we would need to determine jurisdiction. See CRM Section 1.5.

If you have any questions, please feel free to contact me.
