

List of Speakers for June 1, 2023, virtual public hearing hosted by EPA – CARB authorization request for its Commercial Harbor Craft Regulation

The list below is the tentative list subject to additions and changes. EPA will direct speakers to unmute their microphone when it is their turn to speak. Speakers are limited to no more than 5 minutes to present testimony and may also submit a written version of their testimony along with other written comments to the public docket at [regulations.gov](https://www.regulations.gov) by July 1, 2023.

EPA is opening the meeting at 10:00 a.m. EST on June 1, 2023. EPA will close the hearing when there are no more speakers present on the ZOOM call, therefor EPA will not keep the line open after there are no more speakers present to submit testimony.

In the event additional time is needed after 12:30 p.m. EST on June 1, 2023, then EPA will re-open the ZOOM line at 2:00 p.m. EST to receive testimony from those left in the speaker cue as of 12:30 or earlier on June 1, 2023.

Speakers should contact batko.clayton@epa.gov and dickinson.david@epa.gov the day of the hearing should they encounter technical difficulties.
