Subject: M009 Request for EPA Confirmation of Exemption Eligibility per 40 CFR 174.90

Dear Mr. Reynolds:

Attached please find a Request for EPA Confirmation of Exemption Eligibility per 40 CFR 174.90. No Confidential Business Information claims are made with this submission.

This submission is being made under PRIA category M009 for an EPA confirmation of exemption eligibility for a plant-incorporated protectant. I am requesting (under separate cover) a small business waiver for 75% of the PRIA fee; the remaining 25% fee for this action \$847.25 has been prepaid at pay.gov: Pay.gov Tracking ID XXXXXXXX, Agency Tracking ID XXXXXXXXXXXX.

I have enclosed the following supporting information for this request and the 75% small business fee waiver:

- PRIA fee receipt for \$847.25
- Supporting PRIA fee waiver documentation per <https://www.epa.gov/pria-fees/pria-fee-waivers-small-businesses> (submitted under separate cover)
- Supporting document with documentation for an exemption for a plant-incorporated protectant created through genetic engineering from a sexually compatible plant per 40 CFR 174.95
- EPA Form 8570-1

Please contact me, Dr. Jane Doe, with any questions regarding this Request, doe.jane@companyx.com, phone (XXX)XXX-XXXX.

Sincerely,
Jane Doe, Ph.D.
