

EPA Clean Water Act Section 401 Contact List

Last updated: 04/25/2024

[How to Find Out Your EPA Region - Map of EPA Regions](#)

Please note the e-mail addresses for each regional contact may be slightly similar, so please pay close attention when using this contact list.

This contact list is to be used for CWA section 401 water quality certification processes, including:

- **General questions** about the section 401 certification process and when certification is required
- Obtaining **technical assistance** from EPA
- Coordinating when **EPA is the certifying authority**
 - Pre-filing meeting requests and meeting coordination
 - Requests for certification
 - Setting and/or extending the reasonable period of time
 - Public comments in response to EPA’s public notice
 - Notices of waiver of certification
 - Requests for certification modification
- Notifying EPA pursuant to the **section 401(a)(2)** neighboring jurisdictions process
- **Tribal applications** for “treatment in a similar manner as a State” (TAS)
 - For section 401
 - For section 401(a)(2)

Office	Name	E-mail	Phone	Notes
