

Community water systems serving a population of 3,001 to 49,999 that certified completion of a risk and resilience assessment as required by Section 2013 of America's Water Infrastructure Act, as of March 4, 2024. Wholesale CWs, those that sell or provide water to other CWs, are marked with a "Yes" in the "Wholesaler?" column; CWs that are not wholesalers, according to EPA records, are marked with an "No" in the "Wholesaler?" column.
