# Schedule Reminder

- Full draft of WG report available OOB Monday, November 6 Eastern
- Fatal Flaws due back COB Tuesday, November 7 Pacific
- Final report Wednesday, November 8
- Email confirmation from each member – acknowledge you understand this is the final report text going to NDWAC
- Final report to NDWAC Friday, November 10
- NDWAC review meeting November 28 – 30
- NDWAC report to EPA December 15

# Process for Today

- Line-by-line draft report walk through
- Review each edit and ask, “is this change a fatal flaw for you”? (fatal flaw equals changes vote from yes to no)
- At the end of each recommendation, poll for final level of support either at the full recommendation or parts thereof – raise hand if “no”
- Full Support = 18 yes; Substantial Support = 15 – 17 yes; Strong Support = 10 to 14 yes; Limited Support = 4 to 9 yes; Little Support = 1 to 3 yes
- All text is important to one or more WG members’ support
- All edits respond to a “yes if” response so are crucial to getting to full or substantial support
