This listing includes all your active and suspended registrations under either Section 3 or Section 24(c) of FIFRA according to EPA's computer records. On each line, circle one of the four keywords to the left of the Registration Number (ERR, TRN, CAN, WAIV or PAY) to show whether you wish to (1) report an erroneous entry, (2) report a transfer of the registration to someone else, already approved in writing by EPA, (3) ask EPA to cancel the registration, (4) request a minor agricultural use or public health use waiver (see instructions to see if the product qualifies), or (5) pay the fee to maintain the registration.

When you finish each page, count the times you've circled each response keyword and record this count at the bottom of each column. Transfer the sum of these counts from all pages of this listing to line C1 through C4 of the Maintenance Fee Filing Form.
