

# Environmental and Climate Justice Community Change Grants Program

Through the Inflation Reduction Act, EPA will invest about \$2 billion for environmental and climate justice activities benefiting communities most impacted by climate change, legacy pollution and historical disinvestments.

The Community Change Grants are designed to:

**Engage** disadvantaged communities in government processes.

**Invest** in place- and community-based initiatives.

**Reduce pollution** with community-led pollution monitoring, prevention and remediation.

**Increase climate resilience** and community capacity to respond to environmental and climate justice challenges.

## Community Change Technical Assistance Program

Through the Inflation Reduction Act, EPA's \$200 million technical assistance program will help eligible entities apply for and manage Community Change Grants.
