

OFFICE OF WATER
WASHINGTON, D.C. 20460

February 16, 2024

MEMORANDUM

SUBJECT: Preliminary FY 2024 Allotments for the State Revolving Fund (SRF) Provisions of the Bipartisan Infrastructure Law

FROM: Anita Maria Thompkins, Director
Drinking Water Infrastructure Development Division
Office of Ground Water and Drinking Water

Raffael Stein, Director
Water Infrastructure Division
Office of Wastewater Management

TO: Water Division Directors
State Revolving Fund Branch Chiefs
Regions 1-10

President Biden signed the Infrastructure Investment and Jobs Act (PL 117-58, November 15, 2021, 135 Stat 429), also referred to as the Bipartisan Infrastructure Law (BIL). The BIL provides \$50 billion to the Environmental Protection Agency (EPA) to strengthen the nation's drinking water and wastewater systems – the single largest investment in clean water that the federal government has ever made. To date, EPA has awarded over \$11.7 billion in SRF BIL funding. Thank you for your continued leadership and the extensive work of your staff as the EPA and the states continue to make great strides in BIL implementation.

This memorandum provides preliminary allotment tables for the FY 2024 Bipartisan Infrastructure Law (BIL) SRF General Supplemental and Emerging Contaminants Capitalization Grants. Please note that these amounts are *preliminary* and are provided so that states may use these amounts for planning purposes. EPA will promptly notify the states if the final FY 2024 appropriations includes any provisions affecting BIL allotment amounts and programmatic requirements.

In March 2022, the EPA released the [BIL State Revolving Funds \(SRF\) Implementation Memorandum](#) with information and guidelines on how EPA will award and administer SRF Capitalization Grants appropriated in the BIL. As states look to fund more projects and apply for FY 2024 allotments, the EPA is committed to ensuring the key BIL implementation priorities are realized through development of the states' Capitalization Grant applications and Intended Use Plans. The EPA's oversight role of the

SRF programs along with a commitment to provide technical assistance to states and communities is critical to ensuring that states meet the BIL priorities. EPA regions should ensure the state SRF managers are aware that, per the BIL statute, state match increases to 20 percent for the 2024 BIL General Supplemental.

Data analysis for the one-time lead service line update for the Seventh Drinking Water Infrastructure Needs Survey and Assessment (DWINSA) is ongoing. Because those data will affect the state-by-state BIL DWSRF Lead Service Line Replacement (LSLR) allotments for 2024, this memo does not include preliminary allotment tables for the BIL LSLR funds. EPA will announce those allotments when they are finalized in the coming months.

If you have any DWSRF-related questions, contact Damaris Christensen at Christensen.Damaris@epa.gov. All CWSRF-related questions may be directed to Michael Deane at Deane.Michael@epa.gov.

ATTACHMENTS

1. Attachment A: Preliminary FY 2024 DWSRF BIL General Supplemental Allotment
2. Attachment B: Preliminary FY 2024 DWSRF BIL Emerging Contaminants Allotment
3. Attachment C: Preliminary FY 2024 DWSRF BIL General Supplemental Additional Subsidization Amounts
4. Attachment D: Preliminary FY 2024 DWSRF BIL Emerging Contaminants Additional Subsidization Amounts
5. Attachment E: Preliminary FY 2024 CWSRF BIL General Supplemental Allotment
6. Attachment F: Preliminary FY 2024 CWSRF BIL Emerging Contaminants Allotment
7. Attachment G: Preliminary FY 2024 CWSRF BIL General Supplemental Additional Subsidization and Green Project Reserve Amounts
8. Attachment H: Preliminary FY 2024 CWSRF BIL Emerging Contaminants Additional Subsidization and Green Project Reserve Amounts
9. Attachment I: Preliminary FY 2024 Clean Water Act (CWA) 604(b) Grants to States and Territories (BIL)

cc: SRF Regional Branch Chiefs, Regions 1-10

Jennifer McLain, Director, Office of Groundwater and Drinking Water

Yu-Ting Guilaran, Deputy Director, Office of Ground Water and Drinking Water
