Community
Change Grants
Program and
Target Investment
Area B

Introduction

EPA received \$3 billion through the Inflation Reduction Act (IRA) to fund environmental and climate justice activities to benefit disadvantaged communities.

- \$2.8 billion for grants including \$2 billion for the Community Change Grants Program (CCGP).
- \$200 million for technical assistance related to the grants.
- \$300 million (estimated) for Target Investment Area (TIA) B for projects benefitting Tribes outside Alaska-Section II.B of the Notice of Funding Opportunity (NOFO).
- Grants cannot exceed three years (no extensions).
- All grants must be awarded by September 30, 2026.

Goals

Designed with meaningful community, Tribal and other stakeholder input, the investments EPA makes through the CCGP grants are intended to achieve the following goals:

Fund community-driven pollution and climate resiliency solutions.

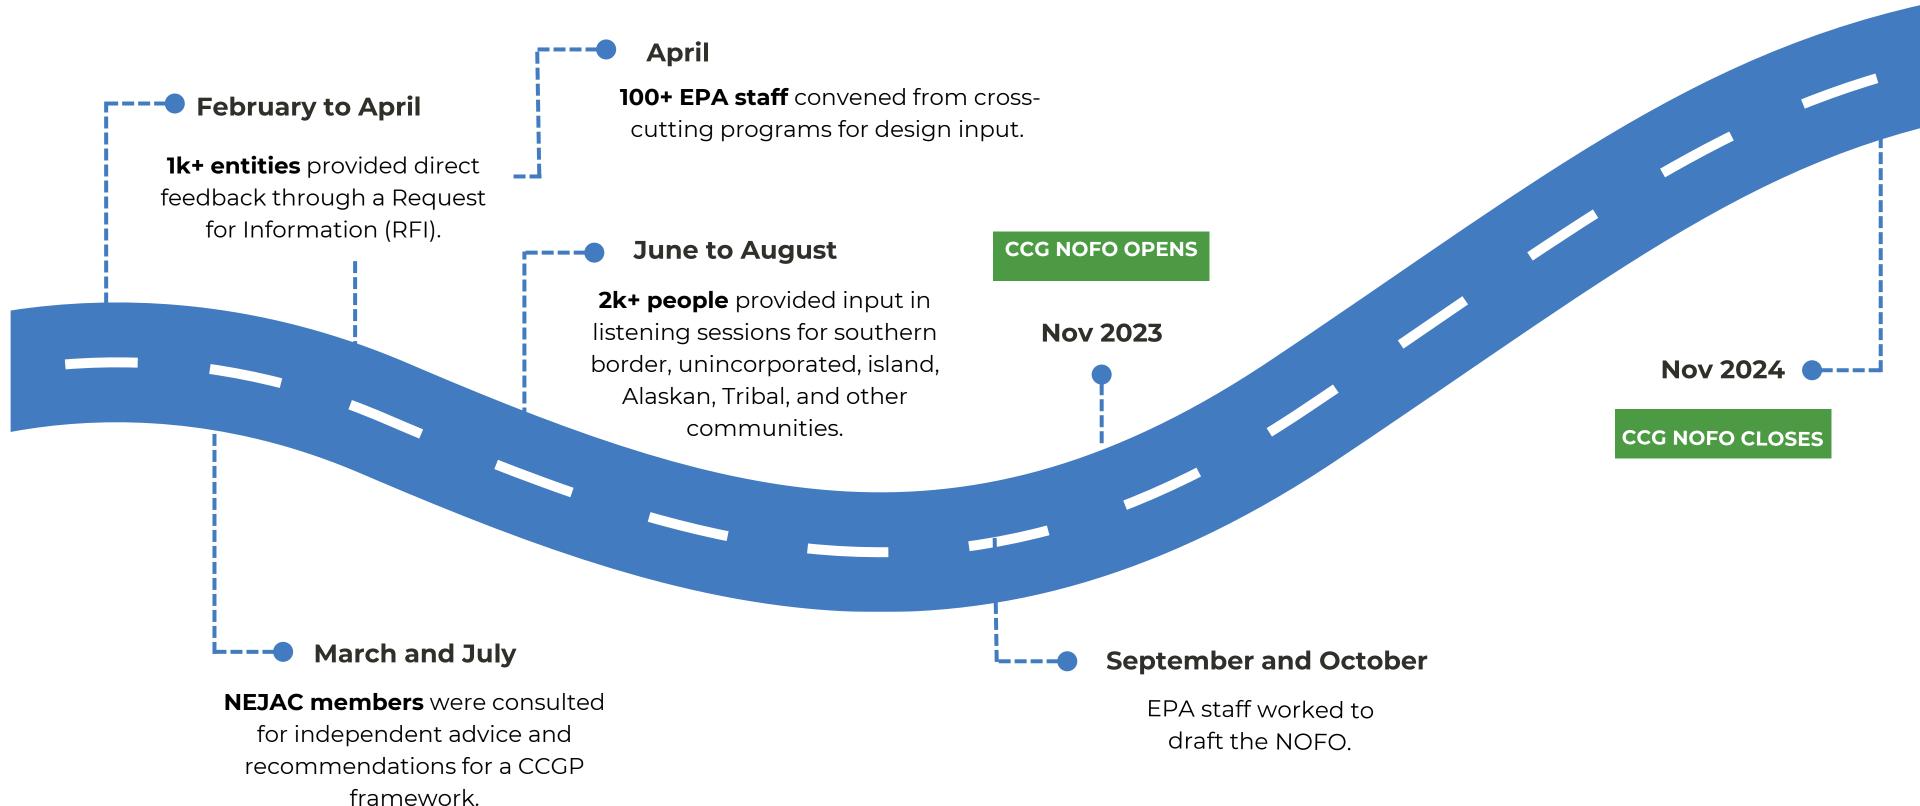

Invest in strong cross-sectoral collaborations with partners working with and for communities.

Unlock access to more significant resources.

Deliver technical assistance and capacity-building support.

Strengthen communities' decision-making power.

Unincorporated
Communities

\$150M Tribes in Alaska

\$300M Tribal Communities

\$100M Southern Border Communities

\$50MU.S. Territories

Note: These Track I investment area amounts are approximate and may be adjusted based on the quantity and quality of applications received.

Target Investment Areas

- Applications can address areas outside of TIAs. TIAs are just priority categories.
- \$300M Tribal Communities
- The application process is the same for all applications, including TIAs, though there may be some specific requirements for some TIAs.
- If you are applying for a TIA, you must identify which TIA you are applying for (see Section IV.B of the NOFO).
- TIAs apply only to Track I awards

TIA B – Tribal Communities Summary

- Applications under TIA B are evaluated against each other and not other applications.
- Estimated \$300 million under TIA B for projects benefitting Tribal communities as described in Section II.B of NOFO.
- This also includes projects benefitting Tribal communities that are in the Border Area identified in TIA E.

- Weekly webinars on Tuesdays 3pm to 4pm ET until March 19th. Recordings for past webinars are available via <u>www.communitychangeTA.org</u>

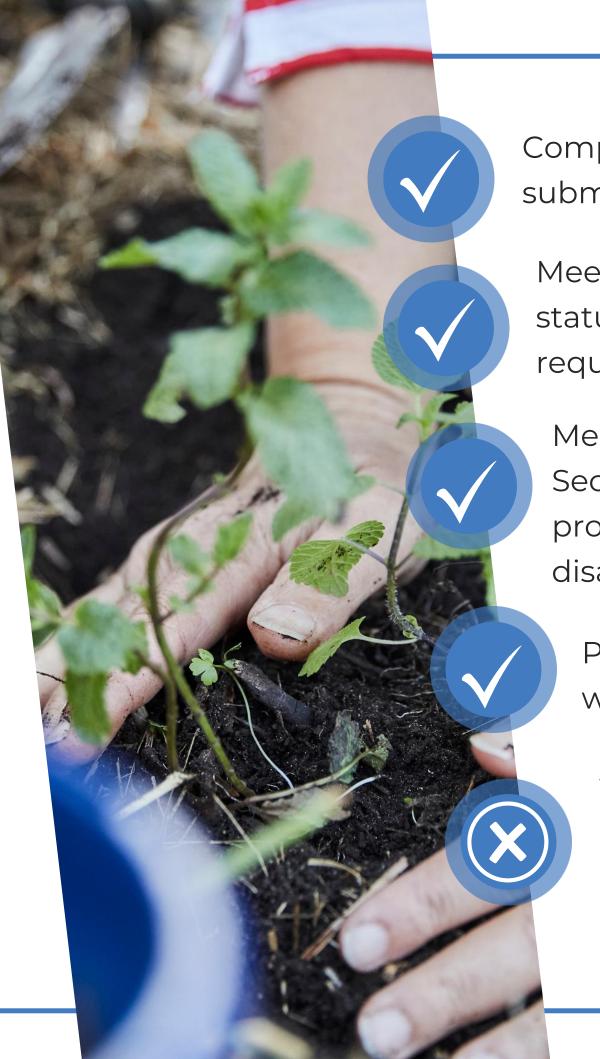

Overview of
Threshold
Eligibility Criteria

Eligibility

Applications must meet **all** eligibility criteria, as
outlined in Section III of the
NOFO, to be considered for
funding.

Comply with the content and submission requirements.

Meet the eligibility and statutory partnership requirements in Section III.A.

Meet threshold criteria in Section III.D, including that the projects will benefit disadvantaged communities.

Projects must be completed within three years.

Applications to conduct scientific research; assessment, removal, or remediation of Superfund sites; and permanent community relocation are ineligible.

Community Relocation

Projects for permanent community or Tribal relocation activities are **not eligible** for funding under the CCGP as noted in Section I.F of the NOFO.

A relocation activity is considered those that are intended to plan or assist the moving of an individual or community from their residence or place of business.

Temporary relocation costs may be allowable in accordance with Federal Highway Administration's guidance on temporary relocation in Appendix A to 49 CFR Part 24.

If you have questions about whether your project is a relocation activity, please email CCGP@epa.gov

Please note:

EPA is working on a separate effort to support communities looking to implement community-driven relocation plans.

Eligible Entities

The following entities are eligible to enter a Statutory Partnership under this NOFO:

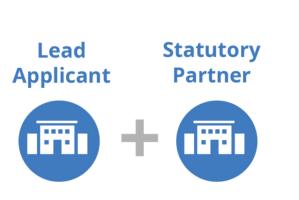

- Community-based nonprofit organizations (CBOs)
 - Demonstrates connection to community through services provided to residents and stakeholders.
 - Recognized as a non-profit organization by IRS or state, Tribal, etc. authority
 - An Intertribal Consortia may meet the definition of CBO if they meet the CBO requirements in the NOFO and 40 CFR 35.504(a) and (c) requirements.
- Federally recognized Tribe (as defined by the Clean Air Act-Section III.A.3 of the NOFO)
 - "Any Indian Tribe, band, nation, or organized group or community, including any Alaska Native village, which is federally recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians."
 - Does not include State-recognized Tribes (but they can be collaborative entities-see later slides)
- Local government
- Institution of higher education (IHE)

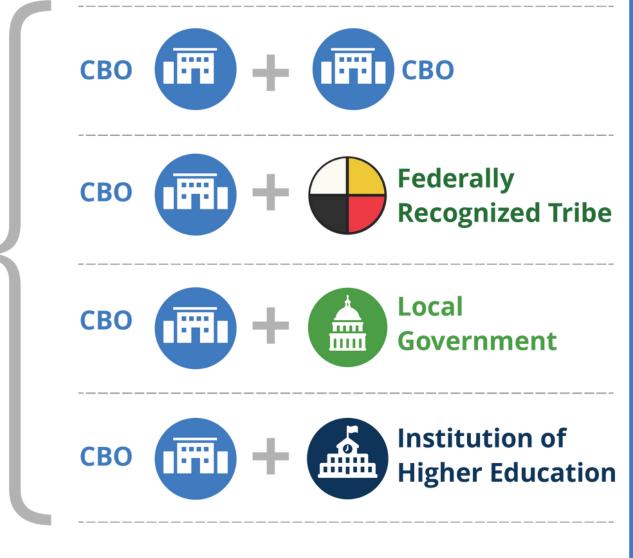

Statutory Partnership

Applicants must either be a partnership of two community-based nonprofit organizations (CBOs) or a partnership between a CBO and a federally recognized Tribe, local government or institution of higher education.

Partnerships must be documented and meet certain legal requirements (see Appendix B).

Additional information on eligibility and partnerships can be found in Section III of the <u>NOFO</u>.

Note: While the CBO does not have to be the "Lead Applicant," all statutory partnerships must include a CBO.

Additional Information for TIA B

- Intertribal Consortia may qualify as CBOs and partner with a Federally recognized Tribe to apply
- Individual Federally recognized Tribes cannot qualify as CBOs they are units of government.
- The 20% indirect cost cap in Appendix G of the NOFO does not apply to Tribes and Intertribal Consortia that meet certain requirements as explained in Appendix G

Collaborating Entities

Other entities can be involved in projects as **Collaborating Entities**.

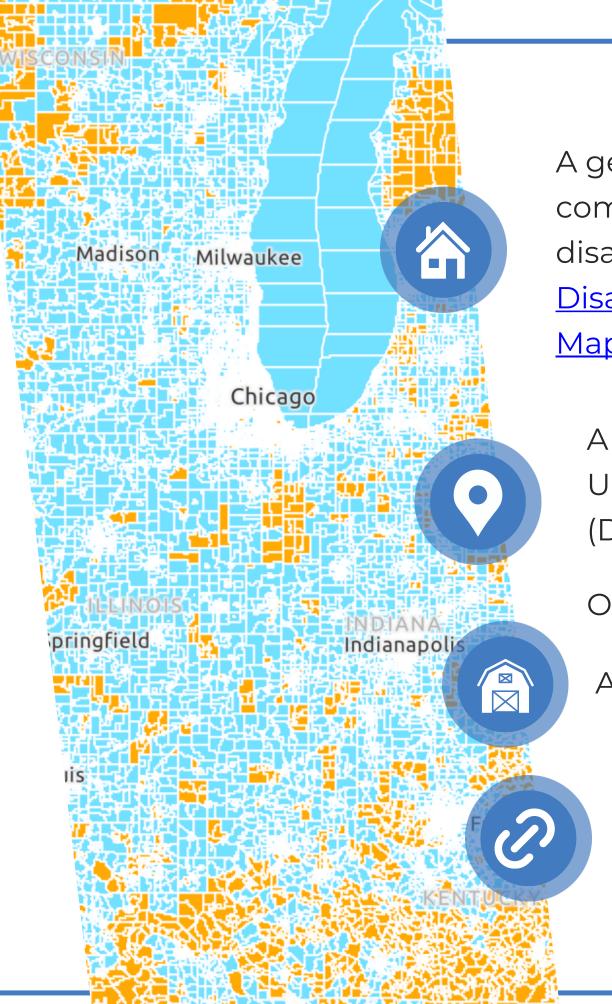

Collaborating Entities may include entities that legally could be Statutory Partners (CBOs, **Federally recognized Tribes**, local governments, and institutions of higher education) and entities that cannot legally be Statutory Partners (e.g., states and territorial governments, state recognized Tribes).

Multiple Tribes can be Collaborating Entities in an application.

Disadvantaged Communities

Applicants must demonstrate that the projects in their application will benefit a disadvantaged community. EPA is defining disadvantaged community as one that meets at least one of the following criteria:

Nashville

A geographically-defined community identified as disadvantaged on the EPA IRA **Disadvantaged Communities** Map.

A Disadvantaged Unincorporated Community (DUC)

OR

A farmworker community

More information can be found in Section II.B and Appendix A of the NOFO.

Key Points

Check for Eligibility

- We know the <u>NOFO</u> is long but read it carefully!
- Make sure you meet the partnership eligibility requirements (Section III.A) and applicable threshold eligibility requirements (Section III.D).

Understand the Requirements for Different Tracks

- There are different requirements and evaluation criteria for Track I and II applications (Sections IV.B and V).
- Though it was not covered today, review the <u>NOFO</u> to understand the post-award and other grant requirements (Section VI).

Triple Check Your Application

- Make sure you do not exceed the page limits for the Project Narrative portion of the application package and other Attachments (Section IV.B).
- Include all applicable Attachments and forms to the application package (Section IV.B).
- Letters of support are not required, and additional Attachments will not be evaluated.

Important Links

In addition to the application requirements in the <u>NOFO</u>, it's important to understand what will be expected of grantees if they are awarded a grant. Below are a few important links to programmatic and administrative information - be sure to read the <u>NOFO</u> in full to understand them:

- Fraud, Waste & Abuse
- Davis Bacon Act
- Build America Buy America
- EPA's General Terms and Conditions
- EPA's Solicitation Clauses
- Best Practice Guide for Procuring Services, Supplies, and Equipment Under EPA Assistance Agreement
- Methods of Procurement (2 CFR 200.320)
- Participant Support Costs (2 CFR 1500.1)
- Reporting Requirements (Section VI)
- Appendix G: Indirect Costs

Future Developments

- **NOFO Modifications**: The <u>NOFO</u> has been modified to clarify issues. Make sure to read the most updated version on <u>grants.gov</u>.
- Frequently Asked Questions: FAQs were posted to the <u>CCGP</u> website and will be updated as needed to address <u>NOFO</u> questions.
- Future Webinars: Check the <u>CCGP website</u> often for dates for future webinars and recordings.

Final Thoughts

Find partners and build coalition

Identify meaningful transformative projects to address environmental and climate justice concerns that can be completed within 3 years (Track I)

Identify governmental policies and programs that can be improved with community voices
