# Overview of Threshold Eligibility Criteria

2

## Eligibility

Applications must meet **all** eligibility criteria, as outlined in Section III of the [NOFO](#), to be considered for funding.

Comply with the content and submission requirements.

Meet the eligibility and statutory partnership requirements in Section III.A.

Meet threshold criteria in Section III.D, including that the projects will benefit disadvantaged communities.

Projects must be completed within three years.

Applications to conduct scientific research; assessment, removal, or remediation of Superfund sites; and permanent community relocation are ineligible.

# Community Relocation

Projects for permanent community or Tribal relocation activities are **not eligible** for funding under the CCGP as noted in Section I.F of the NOFO.

A relocation activity is considered those that are intended to plan or assist the moving of an individual or community from their residence or place of business.

Temporary relocation costs may be allowable in accordance with Federal Highway Administration's guidance on temporary relocation in Appendix A to 49 CFR Part 24.

If you have questions about whether your project is a relocation activity, please email [CCGP@epa.gov](mailto:CCGP@epa.gov)

## **Please note:**

EPA is working on a separate effort to support communities looking to implement community-driven relocation plans.

# Eligible Entities

The following entities are eligible to enter a Statutory Partnership under this NOFO:

- **Community-based nonprofit organizations (CBOs)**
  - Demonstrates connection to community through services provided to residents and stakeholders.
  - Recognized as a non-profit organization by IRS or state, Tribal, etc. authority
  - An Intertribal Consortia may meet the definition of CBO if they meet the CBO requirements in the NOFO and 40 CFR 35.504(a) and (c) requirements.
- **Federally recognized Tribe** (as defined by the Clean Air Act-Section III.A.3 of the NOFO)
  - “Any Indian Tribe, band, nation, or organized group or community, including any Alaska Native village, which is federally recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians.”
  - Does not include State-recognized Tribes (but they can be collaborative entities-see later slides)
- **Local government**
- **Institution of higher education (IHE)**

*\*More details found in Section III.A of the NOFO*

# Additional Information for TIA B

- Intertribal Consortia may qualify as CBOs and partner with a Federally recognized Tribe to apply
- Individual Federally recognized Tribes cannot qualify as CBOs – they are units of government.
- The 20% indirect cost cap in Appendix G of the NOFO does not apply to Tribes and Intertribal Consortia that meet certain requirements as explained in Appendix G

# Statutory Partnership

Applicants must either be a partnership of two community-based nonprofit organizations (CBOs) or a partnership between a CBO and a federally recognized Tribe, local government or institution of higher education.

Partnerships must be documented and meet certain legal requirements (see [Appendix B](#)).

Additional information on eligibility and partnerships can be found in [Section III](#) of the NOFO.

Note: While the CBO does not have to be the “Lead Applicant,” all statutory partnerships must include a CBO.

# Collaborating Entities

Other entities can be involved in projects as **collaborating entities**.

Collaborating Entities may include entities that legally could be Statutory Partners (CBOs, Federally-recognized Tribes, local governments, and institutions of higher education) and entities that cannot legally be Statutory Partners (e.g., states and territorial governments).

Applications receiving a score below 85 will be ranked and reviewed approx. monthly for final selection consideration.

# Debriefings and Disputes

Applicants who are deemed ineligible or who are not selected for funding may request a debriefing.

For more information on the debriefing and dispute process, see Section VI of the [NOFO](#).

# Resubmission

Applicants who are deemed eligible but are not selected for funding may, after timely requesting and receiving a debriefing on the application, resubmit.

For more information see Section II.C of the [NOFO](#).

# Key Points

## Check for Eligibility

- We know the [NOFO](#) is long but read it carefully!
- Make sure you meet the partnership eligibility requirements (Section III.A) and applicable threshold eligibility requirements (Section III.D).

## Understand the Requirements for Different Tracks

- There are different requirements and evaluation criteria for Track I and II applications (Sections IV.B and V).
- Though it was not covered today, review the [NOFO](#) to understand the post-award and other grant requirements (Section VI).

## Triple Check Your Application

- Make sure you do not exceed the page limits for the Project Narrative portion of the application package and other Attachments (Section IV.B).
- Include all applicable Attachments and forms to the application package (Section IV.B).
- Letters of support are not required, and additional Attachments will not be evaluated.

# Important Links

In addition to the application requirements in the [NOFO](#), it's important to understand what will be expected of grantees if they are awarded a grant. Below are a few important links to programmatic and administrative information - be sure to read the [NOFO](#) in full to understand them:
