

**U.S. Environmental Protection Agency (EPA)
Children’s Health Protection Advisory Committee (CHPAC)
May 15-16, 2024**

Oceans Auditorium, EPA Headquarters
1201 Constitution Ave. NW, Washington, DC 20460
Virtual attendance available

[Registration Link](#)
[Public Docket EPA-HQ-OA-2024-0099](#)

AGENDA

Meeting Objectives

- Provide updates on the EPA [Office of Children’s Health Protection’s](#) programmatic activities, including EPA’s responses to prior CHPAC recommendations on climate change and *America’s Children and the Environment*, and efforts to monetize the children’s environmental health benefits of EPA rules
- Receive an update about the Endocrine Disruptor Screening Program activities
- Share the priorities of the EPA [Office of Environmental Justice and External Civil Rights](#) one year after its establishment
- Learn about the new EPA [Office of Agriculture and Rural Affairs](#) and [Office of Climate Adaptation and Sustainability](#) and their roles in protecting children’s environmental health
- Discuss the [Office of Pesticide Programs’](#) initiatives that improve pesticide worker safety related to children’s environmental health
- Present on the coordinated [Federal Research Action Plan on Recycled Tire Crumb Used on Playing Fields and Playgrounds](#) and recent findings
- Discuss the key takeaways of the CHPAC Lead and Community Engagement Letter
- Tour EPA’s new [National Environmental Museum and Education Center](#)
- Learn about the status of [scientific integrity](#) at the Agency, including highlights on the new forthcoming Scientific Integrity Policy
- Provide background on EPA’s [Framework for Assessing Health Risk of Environmental Exposures to Children \(2006\)](#) and notification of prospective need for CHPAC input on targeted children’s health issues
