

Next Month! Meet with LMOP at SOAR 2024

LMOP at SOAR in Phoenix

April 2024

The U.S. EPA Landfill Methane Outreach Program (LMOP) is pleased to announce that we will be **presenting and exhibiting at** the Solid Waste Association of North America (SWANA)'s **Sustainability. Operations. Action. Resources. (SOAR)** event, to be held **April 15-18, 2024**, in Phoenix, Arizona. Please visit the SOAR website for information about this event including the schedule and how to register.

LMOP will present on "**Environmental Justice and the Landfill Gas Energy Industry**" the afternoon of **Tuesday, April 16, 2024**. We will discuss new LMOP resources that can help with the consideration of environmental justice during landfill gas energy project development.

We will be at **Exhibit Space #112** during Exhibit Hall hours—if you attend SOAR 2024, we hope you will stop by our booth to catch up on our **latest resources, provide updates on your landfill or project, or ask any questions you may have.**

To request removal from this email list, please reply to this message. For further information or questions about LMOP, please do not reply to this email message, but rather visit the [LMOP website](#). Thank you.
