

Applying for an Account: EPA's Methane Alternative Test Method (ATM) Application Submission Portal

Important! Before applicants can register for the Methane ATM portal, they must have an account on Login.gov. To create a Login.gov account, visit the [Login.gov](https://login.gov) website and select "Create an account." Follow the instructions on the page to create an account for new users. You can also reference EPA's Methane ATM program guideline document for more detailed instructions.

Registering for the Methane ATM Application Submission Portal

Visit EPA's [Web Application Access](#) website and log in using login.gov credentials. Applicants will see a form titled "Web Application Access Registration. Fill out the Web Application Access Registration form. The first three lines of the form ask for EPA contact information.

The screenshot shows a registration form with the following fields and sections:

- Thank you for registering for EPA Web Application Access with your login.gov credentials. Please complete this form to gain access to EPA Web Community or Application.
- ALL FIELDS ARE REQUIRED**
