

FY 2025 Brownfields Job Training NOFO Outreach Webinar Q&A Report

Question: You can only focus on one neighborhood or at least one?

Answer: You can only focus on one target area. Please see Section I.A. *Description of the Grant* for more information on what is considered a target area.

Question: Is there a map where "official" brownfields are located, or can sites that have general brownfields characteristics qualify?

Answer: The closest map would be the Cleanups in My Community Map: <https://www.epa.gov/cleanups/cleanups-my-community>. You can also Contact your State brownfields program, as they maintain an online database of brownfields: <https://java.epa.gov/acrespub/stvrp/>

Question: Will the slide deck/recording be made available?

Answer: Yes, it will be recorded and you will be able to find it on this page: <https://www.epa.gov/brownfields/fy-2025-brownfields-job-training-grants>. The slide deck is posted there now.

Question: Can you provide the contact info (email) for the presenters in case there are questions based on the slides they covered?

Answer: Contact information (Email) for your Regional Job Training Coordinator will be at the end of the presentation (Slide 55).

Question: Does the organization need to be valued at any specific \$ amount in order to be awarded?

Answer: No, there is no minimum specific \$ amount the organization needs to be valued at in order to be awarded, but the organization must be an eligible entity. Please see section III.A. *Who Can Apply?* for more information.

Question: Is there a list of past grant recipients by State available and the types of projects they've worked on?

Answer: You can find that information in the Grant Factsheet tool: https://java.epa.gov/acrespub/gfs/?grant_announcement_year=2024&grant_type_id=1003. We also have a map of current and past grant recipients: https://www.epa.gov/brownfields/brownfields-job-training-grants-technical-assistance-resources#Grantees_Map.
