

U.S. Environmental Protection Agency
Public Notice of Draft NPDES Permit(s)

September 28, 2024

This is to give notice that the U.S. Environmental Protection Agency, Region 6, has formulated Draft Permit(s) for the following facilities under the National Pollutant Discharge Elimination System (NPDES). Development of the draft permit(s) was based on a preliminary staff review by EPA, Region 6, and consultation with applicable States and/or Tribes. The permit(s) will become effective 30 days after the close of the comment period unless:

- A. Applicable State and/or Tribe denies certification under section 401 of the Clean Water Act, or requests an extension for certification prior to the date.
- B. Comments received by October 27, 2024 in accordance with 40 CFR §124.20, warrant a public notice of EPA's final permit decision.
- C. A public hearing is held requiring delay of the effective date.

EPA's contact person for submitting written comments, requesting information regarding the draft permit, and/or obtaining copies of the permit and the Statement of Basis or Fact Sheet is:

Ms. Evelyn Rosborough
U.S. Environmental Protection Agency
NPDES Review Section (6WD-PN)
1201 Elm Street, Suite 500
Dallas, Texas 75270-2101
(214) 665-7515 or rosborough.evelyn@epa.gov

EPA's comment and public hearing procedures may be found at 40 CFR §124.10 and §124.12. The comment period during which written comments on the draft permits may be submitted is noted for the individual Public Notice. During the comment period, any interested person may request a Public Hearing by filing a written request which must state the issues to be raised. A public hearing will be held when EPA finds a significant degree of public interest.

EPA will notify the applicant and each person who has submitted comments or requested notice of the final permit decision. A final permit decision means a final decision to issue, deny, modify, revoke or reissue, or terminate a permit. Any person who filed comments on or participated in a public hearing on the draft permit may appeal the Agency's final permit decision. However, the request must be submitted within 30 days of the date of the final permit decision and be in accordance with the requirements of 40 §CFR 124.19.

All data submitted by the applicant is available as part of the administrative record. Further information regarding the administrative record may be requested from the EPA contact above or viewed at the above address between 8 a.m. and 4:30 p.m., Monday through Friday. It is recommended that you write or call to the contact above for an appointment, so the record (s) will be available at your convenience.
