EPA Region 9 2025 Tribal Clean Water Act Workshop May 19–23, 2025

Workshop Overview

Workshop co-sponsors EPA Region 9 and the Fallon Paiute-Shoshone Tribe are inviting Tribal water quality/resource staff to attend the EPA Region 9 2025 Tribal Clean Water Act (CWA) workshop in Fallon, Nevada, also known as “the Oasis of Nevada.” Attendees will gather in-person to share knowledge, resources, and experiences to better implement Tribal CWA programs and to protect Tribal water resources for future generations.

Potential Workshop Sessions

This workshop will include presentations on various topics, which may include the following:

Grant Programs

CWA Section 106 – Water Pollution Control
CWA Section 319 – Nonpoint Source Pollution
CWA Section 104(b) – Wetland Program Development Grants

Regulatory Programs and TAS (Treatment in a Similar Manner as a State)

CWA Section 303(c) Water Quality Standards
CWA Section 401 Certification
CWA Section 401(a)(2) Neighboring Jurisdiction

Field Trips and Training at Local Water Quality Monitoring Sites and Projects

Ideas on Workshop Topics? Want to Present or Share Experiences?

Do you have any suggestions for what topics and sessions you’d be interested in attending at the workshop? Do you want to present on a topic or share a story about your program at the workshop? Fill out our suggestion form here:
