OTHER - Include items here which do not fit in the other specific budget categories. Give a brief description of the expense and how you arrived at the estimate. **Participant support costs (e.g., council travel) are entered here.**
 *Grantees who own their building are not entitled to reimbursement for rent; however, they may directly charge for utilities and maintenance costs using a cost allocation plan. If an expense is being shared with other programs, please provide the cost share formula. ***This amount will be entered on Standard Form 424A, Section B, Line 6.h.***

[illegible]**OTHER TOTAL:**

INDIRECT COSTS - If indirect charges are budgeted, indicate the approved rate and base. The base amount is usually total direct costs, less capital expenditures and pass through funds. Pass through funds are normally defined as major subcontracts, payments to participants, stipends to eligible recipients, and subgrants, all of which normally require minimal administrative effort. However, please refer to your negotiated agreement for specific guidance. ***This amount will be entered on Standard Form 424A, Section B, Line 6.j.***

NOTE: If you plan to propose indirect costs as part of your grant budget, you must have on file with the Region 10 Grants and Interagency Agreements Branch: (a) a current approved Indirect Cost Rate Agreement or (b) documentation that a current indirect cost rate proposal has been submitted to the Department of Interior's National Business Center (DOI/NBC) or other cognizant agency. If you do not have (a) or (b), you may choose one of the following options:

1. You may use a provisional/final indirect cost rate used on a current grant with the DOI. The DOI grant must correspond to the same project period as the EPA grant. You must provide a copy of the DOI grant agreement with your EPA application package.
2. Request a default indirect cost rate of 10% at the time of application. The recipient must use the 10% de minimis rate throughout the life of the assistance agreement, unless the recipient negotiates and receives approval for an IDC rate with its cognizant Federal agency during the life of the agreement.
