

Guide to Tabular Data Files for "Quantifying and Characterizing Near-Port Populations in the Conterminous United States" (December 4, 2024)

Each Excel file contains 4 tabs: a data dictionary, a table summarizing the results of the port and comparison group listed in the file name, the summary of the population-weighted household median income (HHI) and quality of life (QOL) index, and the block group level data for the populations in the near port and comparison group featured in the file name, with all attributes described in the report.

File Name	Port Geometry	Comparison Group	Subset of Ports
ACE123vsCONUS.xlsx	Army Corps of Engineers (ACE)	Conterminous United States (US)	123 Ports featured in primary analysis of report
ACE123vsICC.xlsx	Army Corps of Engineers (ACE)	Intra-County Comparison Group (ICC)	123 Ports featured in primary analysis of report
ACE10vsCONUS.xlsx	Army Corps of Engineers (ACE)	Conterminous United States (US)	Top 10 Ports by tonnage, featured in supplemental analysis of report
ACE10vsICC.xlsx	Army Corps of Engineers (ACE)	Intra-County Comparison Group (ICC)	Top 10 Ports by tonnage, featured in supplemental analysis of report
ACE113vsCONUS.xlsx	Army Corps of Engineers (ACE)	Conterminous United States (US)	Remaining 113 Ports, featured in supplemental analysis of report
ACE113vsICC.xlsx	Army Corps of Engineers (ACE)	Intra-County Comparison Group (ICC)	Remaining 113 Ports, featured in supplemental analysis of report
NEI123vsCONUS.xlsx	EPA National Emissions Inventory (NEI)	Conterminous United States (US)	123 Ports featured in primary analysis of report
NEI123vsICC.xlsx	EPA National Emissions Inventory (NEI)	Intra-County Comparison Group (ICC)	123 Ports featured in primary analysis of report
NEI10vsCONUS.xlsx	EPA National Emissions Inventory (NEI)	Conterminous United States (US)	Top 10 Ports by tonnage, featured in supplemental analysis of report
NEI10vsICC.xlsx	EPA National Emissions Inventory (NEI)	Intra-County Comparison Group (ICC)	Top 10 Ports by tonnage, featured in supplemental analysis of report
NEI113vsCONUS.xlsx	EPA National Emissions Inventory (NEI)	Conterminous United States (US)	Remaining 113 Ports, featured in supplemental analysis of report
NEI113vsICC.xlsx	EPA National Emissions Inventory (NEI)	Intra-County Comparison Group (ICC)	Remaining 113 Ports, featured in supplemental analysis of report
