

# Access Instructions for Tribally Developed Indicator Form

The Tribally Developed Indicator Form is located in GAP Hub and you will need to request access to GAP Hub in order to utilize the form. You will need to have a login.gov account in order to complete the next step. If you do not have a login.gov account set up, go to [login.gov](https://login.gov) and set up your account now.

1. Go to <https://waa.epa.gov> to request GAP Hub access. You will need to use Login.gov credentials to proceed to the site. If you do not have login.gov credentials, you will be able to create a login.gov account during the below process:

2. Once you are logged in to waa.epa.gov, enter the fields that are required. For **EPA Contact Name**, enter the information for **your GAP Project Officer**. In the final drop-down field, scroll through the list of available applications and select “GAPHub”:

3. Once you successfully submit the request, you will see this screen:

4. You will receive two emails from the Web Application Access (WAA) system.
  - i. The first email is a confirmation that you submitted a request.

- ii. The second email will be a confirmation that your request has been approved (this could take a few business days). See example below:

Subject: Approved - Request for an External Affiliate Account and GAPHub Application Access  
To: [redacted]@gmail.com>

Dear [redacted]

Your request for an EPA Web Application Access (WAA) external affiliate account and access to the GAPHub Community has been approved. Below is your Login.gov Username:

Login.gov Username: [redacted]@gmail.com

As an EPA external affiliate you must sign in using the Login.gov credentials. Once you have logged into the EPA WAA Community Access (<https://waa.epa.gov>) successfully, you may update your profile by clicking the User Profile menu. Additional password security features are available on the Login.gov web page.

If you have questions regarding your access, please contact EPA Enterprise IT Service Desk via email at [epacallcenter@epa.gov](mailto:epacallcenter@epa.gov) or by phone at 1-866-411-4EPA (4372).

Sincerely,  
EPA WAA Manager
