Honorable Michael Regan
Administrator
U.S. Environmental Protection Agency
1200 Pennsylvania Ave NW
Washington, DC 20460

**Re: Notice of Intent to Sue Pursuant to 42 U.S.C. § 7604(b)(2) for Failure to Issue
Decision on Small Refinery Hardship Petition Pursuant to § 7545(o)(9)(B)(iii)**

Dear Administrator Regan:

On behalf of Wynnewood Refining Company, LLC (“Wynnewood”), we submit this notice of intent to sue the Administrator of the United States Environmental Protection Agency (“EPA” or the “Administrator”) for the Administrator’s failure to perform a non-discretionary duty under the Clean Air Act (“CAA”) and to seek a court order requiring the Administrator to perform that nondiscretionary duty. 42 U.S.C. § 7604(a)(2); *id.* § 7604(b)(2). Specifically, EPA has not acted on Wynnewood’s petition for small refinery hardship relief from the Renewable Fuel Standard (“RFS”) for the 2024 compliance year by the statutory deadline. EPA has a non-discretionary duty to act on any petition for small refinery hardship relief within ninety (90) days of receipt of the petition. 42 U.S.C. § 7545(o)(9)(B)(iii). EPA failed to perform that non-discretionary duty when it failed to act on Wynnewood’s 2024 hardship petition by October 24, 2024—90 days after Wynnewood submitted the 2024 petition on July 26, 2024. EPA’s failure to act by the statutory deadline also constitutes “agency action unlawfully withheld” and “unreasonably delayed.” 5 U.S.C. § 706(1). Wynnewood gives notice of its intent to sue to compel that action. *Id.*

Wynnewood urges the Administrator to decide Wynnewood’s 2024 hardship petition immediately, in order to avoid the need for litigation.

Pursuant to 40 C.F.R. § 54.3(a), the full name and address of the person providing this notice on behalf of Wynnewood is:
